

What Not to Bring

Because the University takes very seriously the safety of everyone living on campus, we cannot allow students to bring certain items into their room or into the building.*

Don't bring the following items to campus:

- Alcohol
- An additional refrigerator. *Every residence hall room includes either a MicroFridge or a full-size fridge and microwave.*
- Candles
- Camping stoves
- Combustible liquids and other materials
- Crock pots
- Deep fryers
- Electric skillets
- Excessive wall coverings
- Extension cords (*Power strips are OK*)
- Grills (*all types including charcoal, George Foreman, etc.*)
- Halogen lamps and lights
- Hot plates
- Hoverboards
- Immersion coils for heating water
- Incense and incense burners
- Items used to loft a bed
- Lamps with plastic shades
- Multi-plug adapters
- Ovens or stoves
- Pets (*except service animals, approved Emotional Support Animals (ESA), or fish in a water tank no larger than 10 gallons*)
- Portable heaters
- Power tools
- Sunlamps
- Toaster ovens (*Toasters are OK to bring*)

**During fire and safety inspections, university officials will require the removal of prohibited items.*
