IMPORTANT INFORMATION

Whenever a new account is opened, federal law requires all financial institutions to help the government fight the funding of terrorism and prevent money laundering activities by obtaining, verifying and recording information that identifies each person who opens an account. For this reason, we request your name, physical address (a P.O. Box alone is insufficient), date of birth, Social Security number (or taxpayer identification number), telephone number and other information that will allow us to identify you. Without this information, we may not be able to open an account or process any transactions for you. State regulations require that you provide information on any existing annuity or life insurance contracts that would be replaced by the TIAA-CREF account for which you are applying. If your new TIAA-CREF account is going to replace more than one existing contract, please include that information. **FOR AEMPLOYEES APPLYING FOR A GROUP SUPPLEMENTAL**

CHOOSE YOUR ALLOCATION

NEED HELP?

For assistance in choosing an allocation or filling out your form, please call us at **800 TIAA-CREF**.

If your employer's plan offers mutual funds as an investment choice, participants with non-U.S. addresses may be subject to certain investment restrictions, including restrictions on purchases of mutual funds.

TWO EASY WAYS TO PICK YOUR INVESTMENTS

OPTION A: One-Step Investing

This option is designed for investors who want to keep it simple – by choosing a single TIAA-CREF Lifecycle Index Fund to help meet all of their retirement needs. It's a convenient, low-maintenance way to have your retirement investments professionally managed for you – to and through retirement. All you need to do is pick a single TIAA-CREF Lifecycle Index Fund.

TIAA-CREF Lifecycle Index Funds have names that match specific investment time horizons – the year an investor expects to retire. So all you need to do is choose the Lifecycle investment with the name that most closely matches when you think that will be.

OPTION B: Pick Your Own Investment Mix

This option is designed for investors who want to research and evaluate their investment choices and then create their own portfolios. We can give you a head start, by providing some examples of model portfolios that include a mix of different asset classes and represent different levels of tolerance. We can also help you determine how much risk you're comfortable taking as a long-term investor. To find out how to pick your own investment mix, go step by step, through the How to Pick the Right Investments booklet.

Before making your investment choices and completing your enrollment form, please read the prospectuses for the investments you are interested in. To view the prospectuses online, go to tiaa-cref.org/PRO and enter your Prospectus Access Code: **406834**. If you prefer, you can obtain paper copies of the product and fund prospectuses by calling **877 518-9161**. Please note that on your enrollment form, you will be asked to confirm that you have received and accessed the relevant prospectuses for your investment choices.

OPTION A: One-Step Investing

Pick the TIAA-CREF Lifecycle Index Fund that's closest to the year you plan to retire. All of your contributions will go into the fund you pick.

Your employer's plan may offer mutual funds as an investment choice in addition to the TIAA and CREF annuities. All contributions must be remitted under the terms of your employer's nonqualified deferred compensation plan. Under federal law, distributions before age 70½ or severance from employment may be prohibited or limited. The TIAA and CREF certificates and amounts in any of the mutual funds cannot be assigned.

Your ability to make transfers and withdrawals may be limited by the terms of your employer's plan. Otherwise, you may transfer among any of the available annuity accounts and non-annuity mutual funds. Cash withdrawals and transfers from the TIAA Traditional Annuity are not currently subject to a surrender charge. If such a charge is imposed in the future, you would receive three months' advance notice, and the charge would only apply to subsequently remitted premiums including any amounts transferred from the CREF accounts, the TIAA Variable Annuity Separate accounts, or the mutual funds after the charge is imposed. **The amount and value of any accumulation units transferred from any account within a TIAA Variable Annuity Separate account may be affected by redemption charges imposed by the investments in which the account invests. The accumulations in and benefit payments from the CREF accounts, the TIAA Variable Annuity Separate accounts, and the mutual funds are variable and not guaranteed; they depend on the investment performance of these accounts.**

Your beneficiary designation will apply to your TIAA and CREF annuities and to the mutual fund accounts under this plan only.
