

## Applicant Disposition Tracker

During the hiring and selection process there are many critical steps to ensure you hire the most qualified, best fit applicant for your position. The spreadsheet below was designed to assist you in tracking applicants as they move through the process and help ensure the accuracy and timeliness of disposition reasons for all applicants being considered. A detailed list of dispositions and the definitions can be found at: [http://www.uky.edu/HR/employ/documents/disposition\\_definitions.pdf](http://www.uky.edu/HR/employ/documents/disposition_definitions.pdf).
