WELCOME TO THE UNIVERSITY OF KENTUCKY!
WE’RE SO GLAD TO HAVE YOU AS PART OF OUR TEAM!

To help protect our university community including students, staff, faculty and visitors, all new hires are now required to provide proof of vaccination against COVID-19 or an approved exemption.

You provided this information during your pre-employment screening, and now we need you to upload your COVID-19 vaccination information one more time to make sure you stay in compliance.

As soon as possible after beginning employment, please visit hcselfreport.uky.edu and use your UK credentials (linkblue ID and password) to log in and upload your vaccination information. Be sure to use either Google Chrome or Safari Mobile.

The self-report tool has a link to a video with step-by-step instructions on how to upload your vaccine information. If you have any questions, contact UK Health Corps at (859) 218-7233 or healthcorps@uky.edu.
