Two-Factor Log-In adds a second layer of security by requiring you to verify your identity via phone &/or other mobile devices. Enroll your device using the instructions below.

Full details at www.uky.edu/ItTakes2

ENROLLING A NON-SMART PHONE

1. Visit the Account Manager at ukam.uky.edu & click Start Here.

2. Enter your linkblue credentials.

3. Under the tab Two-Factor Log-In, click Add Device.

4. Select the second option & click Next.

5. Select your phone type and add the phone number you would like added to your account, then click Next.

6. Your device will automatically be added as a Trusted Device.
