Two-Factor Log-In adds a second layer of security by requiring you to verify your identity via phone &/or other mobile devices. Log-in to myUK using the instructions below.

For the best experience, have a computer & mobile device handy.

Full details at www.uky.edu/ItTakes2

HOW TO LOG-IN USING A TEXT

1. Visit the myUK portal at myuk.uky.edu & click Log-In.

2. Enter your linkblue credentials.

3. Select Enter a Passcode.
   Note: Selecting Remember me for 30 days will allow you access for 30 days unless you use a different browser or clear cache.

4. Select Text me new codes.

5. You will then receive a text with a passcode to your mobile device.

6. Enter your passcode in the field and press Log In.
