

Security

As a faculty member you are responsible for unlocking and locking your office. Purses, billfolds and other valuable property should be locked up. Equipment belonging to the College, such as projectors, books, etc., are your responsibility when removed from its customary place and should not be left unattended.

Unauthorized persons should be reported and/or challenged by faculty and staff as the situation may indicate, particularly in the teaching and research areas during off-hours. All incidents of a security nature, large or small, should be reported to the Security Office immediately by dialing **323-6152**. If you do report an incident, please also notify the College of Nursing Business Office at **323-5108** or **323-6534**.

ID Badges

Medical Center personnel and students should wear name tags at all times while on-site for easy recognition. ID badges are required for entry into several areas in the College, such as the teaching labs and research area. Other areas will require badge swipe to enter after normal office hours. Please come to room 315 CON Bldg. or call 323-5108 if you have a problem with your ID badge. If you are here after hours and you do not have your ID badge on, you will be asked to produce it by UKMC security officers.
