The Wildcat Masters Swim Team is an adult swim team. Wildcat Masters offers one team practice coached and multiple uncoached swimming opportunities for people 18 years and older. Members must be registered with United States Masters Swimming in order to practice. All participants must pay Wildcat Masters Swim Team membership fee (1 month minimum at this time). As a Wildcat Masters swimmer you may access the facility during coached practice times and/or recreational Lap Swim hours. The Masters program offers an excellent opportunity to make friends while you get in a great workout, refine your swimming skills, prepare for the local open water competition, train for a triathlon, or prepare for USMS Nationals. The best thing about Masters, it’s whatever you want it to be! Coverage with USMS liability is only during scheduled coached Masters practices. All members are required to reserve a lap swim lane for Sunday practices and all other lap swim hours. Access to our online lap reservation system is available after you have paid your monthly dues. You will receive an email with your Login (your email address) and temporary password. Search for email subject “Lancaster Aquatic Center Login Information” in your email.
