- A match will consist of a best 2 out of 3 games.

THE GAME

Net Height

- Men’s and Co-Rec: 8 Ft.
- Women’s: 7 Ft. 4 1/8 inches

Contacting the Ball

- The ball may be played 3 times before crossing the net.
- A player may go outside of the court to play the ball. However, a player may cross the net extended or enter an adjacent court to play a ball.
- Legal contact is when the ball hits anywhere on a player if it does not come to rest. Feet and legs can be used if it is not on an attack.
- The ball must be clearly and cleanly hit.
  - First ball over the serve cannot be attached (block or spike).
- **Ceiling/Lights/Basketball Boards:** If the ball contacts the ceiling/lights/basketball backboard and falls on the opposite side of the net, the ball is considered to have gone out of bounds and side-out is called.
  - If the ball contacts ceiling/lights/basketball backboard and remains on that side of the net (if it has not already been played three times), play continues.
Violations and Fouls

- **Double Hit** - hitting two parts of the body in succession, however, slight. It is a double hit if it strikes both wrists, fists, arms, or chest if the hands are not put together in some manner.
  - This is legal on first ball over
  - A player who blocks a hit may play the ball once without fault

- **Carry** - if a ball rest on or appears to come to rest I the hands of a player.
  - Holding, catching, throwing, lifting, and pushing are illegal hits because of prolonged contact with the ball.
  - This is a judgment call by the official and cannot be questioned.

- A team has more than three hits before the ball goes over the net.
  - Blocked hits are not counted

- **Serving errors**:
  - The server must wait for the official to beckon before a serve may be attempted. If the ball is served before the official's beckon, a re-serve shall be directed. During a team's term of service if the ball is served a second time before the official's beckon, then it is a side-out.
  - The server shall serve from within the serving area and shall not touch the end line or the floor outside the lines marking the width of the serving area at the instant the ball is contacted for the serve.
  - The server's body may be in the air over or beyond the serving area boundary lines, having left the floor from the serving area.

- **Touching the net while ball is in play**
  - Hair hitting the net is not considered a net violation
  - If the force of the ball hit by an opponent pushes the net or net cables into the player, it is not a net violation

- **Player crossing the center line. Complete foot, hand, or head over the line.**
  - **3Ft Area**:
    - No blocking or spiking within the 3ft area (which means no plays at the net). If players step online, play on, if player step over line, loss of serve will be a result and the opposing team will be awarded a point and the serve.
    - It is not a foul to step on the line.
    - It is a foul to step or have any other body part completely over the tape (blue or pink) placed on court horizontally 3ft from the centerline on both sides of the court.

- **Ball out-of-bounds**:
  - **Touching basketball goals**
    - When touching anything outside of the boundary lines (lines are in play).
    - A ball touching a light fixture or any other part of ceiling:
      - Coming down on the same side of the court is still in play
      - Going over the net will result in a side out or point.

- **Screening** - A screen is an act, intentional or unintentional, which obstructs the opponent's view of the server or the flight of the ball from the server.

- **Serving** - All players, other than the server, shall be within the playing area (but may touch the boundary lines) when the ball is served. The server must serve from within the serving area and shall not touch the lines bounding this area at the instant the ball is contacted when hit for the serve. The serving area encompasses the entire baseline of the court but must be between the sidelines extended.

- **Blocking** - Blocking at the net is allowed by front row players only. A blocker may reach over the net to block a ball that is being returned to his court or when the opposing team has completed their attack. A player that blocks a ball may hit it again. A block is not considered a hit. A ball blocked simultaneously by two players of the same team can be hit again by any player.
Back Row Player

- A back-row player may not attempt to block or participate in a block.
- A back-row player may not attempt to return a ball that is completely above the top of the net while positioned:
  - On or in front of the 10-foot spiking line or it's out-of-bounds extension.
  - In the air, having left the floor on or in front of the spiking line or it's out-of-bounds extension.

**Note 1:** When playing with 4 players, the server is considered to be a back-row player.
