DEPARTMENT OF ARTS ADMINISTRATION

Requirements for the B.A. with a major in ARTS ADMINISTRATION

The demand for arts administrators is strong. What was once a small niche has transformed into an industry of professionals trained to manage theatres, symphony halls, galleries, museums, community art councils, orchestras, art centers, and many other types of institutions. In fact, the nonprofit arts industry employs approximately 1.3 million individuals annually.

UK’s Arts Administration degree program is designed to teach students the concepts, technologies, and skills necessary to successfully direct an arts organization in a competitive and changing environment. The program advocates a devotion to the arts, an interest in community development and integration, a focus on contemporary and relevant arts trends, and the belief that we can create a positive change by taking skills and knowledge out of the classroom and into the world.

Admission

In order to be admitted in the B.A. in Arts Administration as a full major, students must first:

1. be enrolled in the University of Kentucky;
2. complete 30 credit hours of course work;
3. have a minimum 2.8 cumulative grade-point average;
4. complete all premajor courses with a grade-point average of 3.0 in premajor courses;
5. submit an application; and
6. participate in an interview process with the arts administration faculty.

Students meeting these requirements will be accepted as majors in the program.

Students in Arts Administration must complete the following program requirements:

College Requirements

Students must complete 6 credit hours outside of the arts administration discipline, but within the College of Fine Arts. This requirement is satisfied by the student’s required CFA minor. Students must complete 39 credit hours at the 300-level or above. This requirement is satisfied by the required course work in Arts Administration.

Continuous Assessment in the Art Education Program

Students’ progress through the art education programs is continuously monitored, assessed, and reviewed. In addition to regular evaluation in conjunction with their program course work and field placements, students will be assessed three times in their art education program:

1. Teacher Education Program (TEP). Students who desire to declare an Art Education major will demonstrate their progress in the Foundations Program and commitment to advanced undergraduate study through an application to the TEP. In this application, students must demonstrate that they have earned at least 60 credit hours and meet the criteria put forth by the College of Education by filling out the College of Education TEP application form. Upon meeting those criteria, applicants then have a portfolio review and interview with art education faculty to determine entry into the program.

The TEP criteria include:
   • Total academic record. A minimum overall grade-point average of 2.75 is required.
   • Performance on required tests measuring proficiency in writing, reading, and math.
   • Record of completed preprofessional course work, experiences, and awards.

2. Mid-Level review. No later than the semester prior to student teaching, students will demonstrate that they meet the criteria put forth by the art education faculty by submitting the materials required for review by the art education faculty.

3. Student Teaching. The final assessment is made by the two cooperating public school teachers who supervise the student, and by the observation assessments of the University student teaching supervisor.

State Mandated Testing and the Kentucky Teacher Internship
Successful completion of the examinations required by the Kentucky Education Professional Standards Board is a pre-condition for the granting of a teaching license (certificate). See www.kyepsb.net/ for the current list of PRAXIS examination requirements for P-12 Art certification.

Upon being recommended for a Kentucky Teaching License (certificate), a candidate will be issued a Kentucky Letter of Eligibility for the Kentucky Teacher Internship Program. Upon employment in a Kentucky P-12 school, the candidate will receive a one-year license to practice as a fully qualified intern Art teacher. After successfully completing the internship year, the candidate will be eligible for a regular Kentucky Professional Teaching License (certificate).

Information concerning licensure in other states is available from the office of Academic Services and Teacher Certification in the College of Education.

Requirements for the B.A. with a major in ART HISTORY & VISUAL STUDIES

This degree offers its majors a solid foundation in the art and visual cultures of Africa, Asia, and the Western tradition, with advanced courses that present differing approaches to both art history and visual studies. A major in Art History & Visual Studies provides a solid liberal arts education with a strong emphasis on skills in visual literacy, critical thinking, problem solving, and written and oral communication that are required for virtually any career path. The program also equips majors with advanced skills in visual analysis and research.

All majors are required to take a shared art history core of 15 credits. In consultation with their advisor, majors organize their upper-division course work around one of two options: art history or visual studies.

Any student earning a Bachelor of Arts (B.A.) degree must complete a minimum of 39 hours at the 300 or above level. Depending on the option selected, at least 27 of the 39 hours are completed by the major requirements. However, students should keep this requirement in mind as they select their courses.

### Option in the Major (select one)
Both of the options in the major assume a sound knowledge of art history and visual studies provided by the shared curriculum core. Each requires upper-division art history courses and courses in one or more cognate disciplines. Majors should consult with their advisor in the Art History & Visual Studies program to select the path that best serves their future goals.

### Art History Option
(33 credit hours)

This option focuses on the development of the visual arts, particularly on the histories of artworks within a broad liberal arts tradition. Students study artistic images, objects, and contexts and events representing diverse cultures within a global context. It provides majors with historical, methodological, and theoretical knowledge to interpret visual forms as expressions of historical periods and cultural values.

The discipline of art history puts strong emphasis on the acquisition of skills in written and oral communication, foreign language comprehension, critical reading, and problem solving, all leading to the pursuit of independent scholarship. These are skills useful for virtually any career path, including law and international business. However, this option specifically prepares majors to pursue post-graduate studies.
College of Fine Arts

in art history, curatorial studies, and related humanistic disciplines, leading to careers in academia, arts administration, visual resource management, museum and curatorial professions, and similar fields.

Students who have selected the Art History option are required to take A-H 105, World Art Before 1400, which is offered as a premajor requirement option.

**Foreign Language (6-7 credit hours)**

Complete one of the following sequences beyond the UK foreign language requirement:

**Option A:** Successful completion of the fourth college semester of one foreign language, German or French recommended. (Note: This may be accomplished by scoring at this level on a placement test for previous work in the foreign language.)

**Option B:** Successful completion of the third college semester course of one foreign language and the second college semester course of a second language. (Note: Either or both may be accomplished by scoring at the appropriate level on a placement test for previous work in the foreign languages selected.)

**Option C:** Demonstrate equivalent competence. Students for whom English is a second language, for instance, may use their native language to fulfill this requirement.

**Upper-Division Art History & Visual Studies Courses**

Select one of the following courses designed to provide students with direct experience with the art object through a museum practicum or appropriate course offering:

A-H 399 Experiential Education in Art History & Visual Studies ................................................................. 3

Plus at least three Art History & Visual Studies courses at the 300 level or above, or of which at least two must be from the seminars listed below. To fulfill the requirement, students must select two different seminar numbers (not the same seminar number with different subtitles). These courses provide students with differing perspectives and approaches to the study of the visual arts. Courses may explore interdisciplinary aspects of art history and visual studies, concentrate on an in-depth study of a specialized topic or period, or provide other frameworks beyond the traditional canon.

Such courses can come from but are not limited to – anthropology, art studio, arts administration, classics, history, history of film, history of interior design, history of theatre, literature, music, aesthetics or philosophy. Foreign language courses over and above the foreign language requirement for the art history option are also encouraged.

**Capstone Course (3 credit hours)**

Students will demonstrate a broad knowledge of art history and visual studies as well as skills in research and written and oral communication.

A-H 555 Methods in Art History & Visual Studies .................. 3

**Subtotal: Electives .................. 21**

**TOTAL HOURS: .................. 33 credit hours**

**Visual Studies Option**

This option offers majors a broad interdisciplinary selection of courses and methodologies from the arts, design, humanities, social sciences, and sciences. Visual studies deal with all aspects of culture that communicate through visual means, from paintings and film to advertising and websites. Students who choose this option may pursue further training leading to emerging careers in the “creative economy”, especially those involved with the creation, curation, dissemination, manipulation and retrieval of images. They may also pursue graduate work in visual studies, curatorial studies, cultural studies, and film studies.

Students who select the Visual Studies option are required to take A-H 101, Introduction to Visual Studies, offered as an option for the premajor requirement.

Undergraduate Certificate in Musical Theatre

The Department of Theatre and Dance and the School of Music in the College of Fine Arts offer an undergraduate interdisciplinary Certificate in Musical Theatre. By combining the efforts and resources of the Department of Theatre and Dance and the School of Music, students are able to take the breadth of course work necessary for a fundamental experience in musical theatre. The course work includes acting, dance, voice, and musical theatre techniques. This certificate will provide desired course work as well as performance opportunities for undergraduate students.

The course work in the certificate is designed to use the strengths of each unit and supplement them with course work from the other unit. For example, music students don’t need additional voice work, but they do need training in acting and dance in order to be educated in musical theatre. Theatre students have access to both acting and dance classes, but lack sufficient preparation in voice and music for musical theatre. The Certificate provides an interdisciplinary bridge between the two programs.

Upon completion of the Musical Theatre Certificate students will be able to:

- apply and exhibit proficiency in vocal technique within the forms and styles of the musical theatre canon
- apply and exhibit proficiency in diverse acting techniques and styles necessary for the forms and styles of musical theatre
- apply and exhibit proficiency in diverse dance techniques and styles necessary for the forms and styles of musical theatre
- synthesize acting, singing, and dancing in a musical theatre performance

Applying to the Program

Students audition in April during the spring semester to enroll and be accepted into the Certificate program. Students participate in a dance audition, and perform a short monologue and section of a song for the selection process. This process is similar to one that students can be expected to perform and compile as their audition material for any local, regional, or national musical theatre performance opportunity.

Students entering the Certificate Program must have a 3.0 GPA in their major course work.

Musical Theatre Certificate for Voice Majors

The Musical Theatre Certificate for Voice Majors provides an opportunity for theatre majors to enhance a specific set of skills and techniques required for musical theatre performance, enriching their undergraduate experience and course work in their primary degree program.

Undergraduate Certificate in Filmmaking: Production and Dramatic Writing

Filmmaking: Production and Dramatic Writing provides UK students with the opportunity to study and practice the art and craft of filmmaking by taking a sequence of courses offered in the Department of Theatre & Dance and the School of Art & Visual Studies in dramatic
College of Fine Arts

writing and film/video production leading to a capstone course in visual storytelling. Students completing the five course, fifteen credit hour certificate program will have learned filmmaking skills from certificate faculty with training and experience in the field of video production, filmmaking and screenwriting and will have had the opportunity to write and produce their own short films. Successful completion of the certificate program will position students for careers in a variety of entertainment platforms and prepare students for entrance into graduate film schools.

Any UK student with a demonstrated interest in film/video production and dramatic writing can apply to be admitted to the certificate program, on a rolling basis (during registration windows for fall and spring semesters) by submitting the following: a 5-7 page creative writing sample, a sample short (3-5 minute) film/video, a written statement demonstrating an interest and commitment to film/video production and dramatic writing, and a resume.

Undergraduate Certificates in Musical Theatre

The Department of Theatre and Dance and the School of Music in the College of Fine Arts offer an undergraduate interdisciplinary Certificate in Musical Theatre. By combining the efforts and resources of the Department of Theatre and Dance and the School of Music, students are able to take the breadth of course work necessary for a fundamental experience in musical theatre. The course work includes acting, dance, voice, and musical theatre techniques. This certificate will provide desired course work as well as performance opportunities for undergraduate students.

The course work in the certificate is designed to use the strengths of each unit and supplement them with course work from the other unit. For example, music students don’t need additional voice work, but they do need training in acting and dance in order to be educated in musical theatre. Theatre students have access to both acting and dance classes, but lack sufficient preparation in voice and music for musical theatre. The Certificate provides an interdisciplinary bridge between the two programs.

Upon completion of the Musical Theatre Certificate students will be able to:

- apply and exhibit proficiency in vocal technique within the forms and styles of the musical theatre canon
- apply and exhibit proficiency in diverse acting techniques and styles necessary for the forms and styles of musical theatre
- apply and exhibit proficiency in diverse dance techniques and styles necessary for the forms and styles of musical theatre
- synthesize acting, singing, and dancing in a musical theatre performance

Applying to the Program

Students audition in April during the spring semester to enroll and be accepted into the Certificate program. Students participate in a dance audition, and perform a short monologue and section of a song for the selection process. This process is similar to one that students can be expected to perform and compile as their audition material for any local, regional, or national musical theatre performance opportunity.

Students entering the Certificate Program must have a 3.0 GPA in their major course work.

Musical Theatre Certificate for Dance Majors

The Musical Theatre Certificate for Dance Majors provides an opportunity for students of dance to gain knowledge in additional areas of study that include acting, voice, and musical theatre techniques. Students who successfully complete this Certificate will be able to synthesize acting, singing, and dancing within a musical theatre performance.
