Graduation Requirements
To earn either the Bachelor of Arts or the Bachelor of Science degree in the College of Communication and Information, each student must (1) complete 120 hours of course work (excluding courses lower than the 100 level, courses with an R designation, physical education service courses, and/or EXP 396/397 credits) with a grade-point average of at least 2.0 and (2) complete at least 42 hours in upper division courses (300 or above).

Other requirements include UK Core, Basic Skills, premajor requirements, field of concentration (24-27 hours of major work and 15-18 hours of cognate courses earned outside the college as defined by the units), and a minimum of six hours of free electives.

Admission to the degree program is selective. Students should refer to the UK Bulletin for details about admission requirements and application procedures.

Bachelor of Arts Degree Requirements
Students who pursue the B.A. within the College of Communication and Information must fulfill the following requirements.

UK Core: Students must complete all areas of the UK Core.

College B.A. Requirements
1. Language. Complete one of the following sequences:
   - Option A: Successful completion of the fourth college semester of one foreign language. (Note: This may be accomplished by scoring at this level on a placement test for previous work in the foreign language.)
   - Option B: Complete a set of two courses dealing with the nature and structure of language, language behavior, or comparative languages. This set shall be comprised of one course from Group I below, and one course from Group II. (Courses counted as meeting this option may not be counted in the major or field of concentration.)
     - Group I: LIN 211.
     - Group II: ENG/LIN 209, ENG 210, ENG/LIN 310, ENG/LIN 311, LIN 317, ANT/LIN 325, LIN 331.

2. Statistics: STA 210

Major Requirements
Students must complete the departmental requirements for one of the five majors (communication, information communication technology, integrated strategic communication, journalism, or media arts and studies).

Subtotal: College B.A. hours ................................................................. 9-17

Bachelor of Science Degree Requirements
Students who pursue the B.S. within the College of Communication and Information must fulfill the following requirements:

UK Core: Students must complete all areas of the UK Core.

College B.S. Requirements
1. Mathematics, statistics and computer science: Complete nine credits in statistics, mathematics and/or computer sciences beyond the UK Core requirement. At least three hours must be in statistics.

2. Science Courses. Complete a minimum of 60 hours of science courses, with not more than 12 hours within the College of Communication and Information. These courses must be approved by an advisor in the College of Communication and Information, with the approval of the student’s major advisor. Mathematics, statistics, computer science, physical sciences, biological sciences, social and behavioral sciences, as well as from appropriate professional fields.

Subtotal: College B.S. hours ................................................................. 60

UK Core Requirements
See the UK Core section of the 2020-2021 Undergraduate Bulletin for the complete UK Core requirements. The courses listed below are (a) recommended by the college, or (b) required courses that also fulfill UK Core areas. Students should work closely with their advisor to complete the UK Core requirements.
