

THE ACADEMIC COMMON MARKET

The Academic Common Market allows non-resident students to pay in-state tuition rates while studying selected academic programs that are not available in their home states. The list of programs included in the Academic Common Market is revised periodically to reflect the changing needs and offerings of participating states. For more information, visit: www.sreb.org. The 16 states that participate in the Academic Common Market are Alabama, Arkansas, Delaware, Florida, Georgia, Kentucky, Louisiana, Maryland, Mississippi, North Carolina, Oklahoma, South Carolina, Tennessee, Texas, Virginia, and West Virginia. For more information, contact the Academic Common Market Institutional Coordinator, 12F Funkhouser Building, University of Kentucky, Lexington, KY 40506-0054, (859) 257-3256.

ACCELERATED PROGRAMS

The University of Kentucky has a broad policy for accelerated programs. Among the opportunities available are special programs for high school students and a variety of credit-by-examination programs. Many students use these opportunities to earn degrees in less time. Others prefer to use the time gained to explore areas outside their majors or to do more work in their major fields.

Accelerated Programs for High School Students

High school students interested in earning college credit while still in high school should inquire about admission before graduating from high school. The High School Exceptional Ability program is described in greater detail in the *Undergraduate Admission* section of this Bulletin.

Credit-by-Examination Programs

UK students may earn degree credit by successfully completing examinations described below.

Advanced Placement Program (AP)

The University of Kentucky recognizes examinations of the College Board Advanced Placement Program offered by high schools throughout the nation. Currently, UK ranks among the top 100 schools in the U.S. for receipt of AP test score results. A high school senior who wishes to have AP scores evaluated for academic credit or placement should have the results sent to the Office of Undergraduate Admission. UK's code is **1837**.

Students who receive Advanced Placement credit for a course may apply this credit the same way credit earned by passing a course is applied. UK does not recognize College Board SAT II Subject Tests for placement or credit purposes.

Academic departments have designated the current policy (see chart on pages 68-70) for students who score 3 or higher on the Advanced Placement examinations.

Please note that the University of Kentucky awards Advanced Placement credit based on the score of the exam that is in effect during the academic year that the student enrolls in UK. Students should refer to the AP chart in the *Bulletin* they received when they were admitted for the appropriate score.

UK does not award duplicate credit in the event that a student repeats an exam or if the credit award is the same for two or more exams. In the event a student takes the same exam more than once, credit is awarded for the best score only.

For more information on UK's Advanced Placement policy, contact:

Office of Undergraduate Admission
100 W. D. Funkhouser Building
University of Kentucky
Lexington, KY 40506-0054
(859) 257-2000

College Level Examination Program (CLEP)

UK participates in the national testing program of The College Board. CLEP Examinations cover specific material common to courses at many universities.

Credit for University courses is awarded to students who obtain the listed scores on the appropriate Examinations, as listed in the "Policy Guide for CLEP Examinations" on pages 71-72.

The Registrar's Office is responsible for all official posting of credit to a student's record. For information regarding the CLEP program and posting of credit, contact the Registrar's Office at (859) 257-7157. For information on CLEP exams in general, visit the College Board website at:

www.collegeboard.com/clep/.

International Baccalaureate Program (IB)

The University of Kentucky recognizes course credit earned through the International Baccalaureate (IB) Program offered by high schools throughout the world.

Generally, course credit is awarded for scores of 5, 6, or 7 on either the Standard Level exam or the Higher Level exam. Please refer to the chart on pages 73-74 for the actual course credit policy in each subject.

Any student desiring credit must request an IB transcript to be sent to the University. Course credit awarded through the IB program will apply toward degree requirements just as if the course had been taken on campus, except that there will not be a specific letter grade associated with the course. Instead, a designation of CR – credit – will be awarded and the grade-point average will not be affected.

In some cases, as noted on the chart on pages 73-74, additional curriculum information must be supplied by the student's high school before credit will be awarded.

For more information, contact the Registrar's Office at (859) 257-7157. For information on the IB Program in general, visit the IB website at: www.ibo.org.

Special Departmental Examinations

Undergraduate students requesting a special examination must apply in writing to the chairperson of the department that offers the course. Graduate students should apply to the director of graduate studies in the department offering the course. Applicants should include evidence that they are reasonably prepared for the examination.

These examinations are prepared and administered by the offering department, and are usually equivalent to a final examination. Students must be enrolled in good standing at UK. The examinations are offered without charge.

Almost any course offered at the University is available for credit by special examination, regardless of whether a student has audited the course, is currently enrolled in it, or has studied it independently. Please note, most elementary and intermediate foreign language courses are not available on the basis of a special examination.

More information about special examination credit appears in the *Academic Requirements* section of this Bulletin.

**EGR 198: Project Lead The Way.
Credit: 1.0-6.0 (variable)**

This course will be graded on a pass/fail basis.

This course grants college credit to Project Lead the Way Pathway to Engineering graduates from PLTW Certified high schools. University of Kentucky Engineering students may earn one college credit for each of the PLTW Pathway to Engineering courses [IED, POE, DE, CIM, CSE, CEA, ES, AE] completed while enrolled in secondary school(s), up to a maximum of six UK College of Engineering credits. Three of these credits may be used in approved engineering majors as support electives. Additional credits past three can be used to fulfill free electives in approved engineering majors.

Criteria to obtain the credit include:

- Completing each PLTW course with an average of **B**
- Scoring in the 6th Stanine or above on the End-of-Course (EOC) PLTW exam
- Enrolling in the UK College of Engineering
- Paying any designated University of Kentucky tuition and fees

Process to obtain the credit:

- PLTW Affiliate Director receives documentation for request for credit from engineering student
- PLTW Teacher, Administrator, or Counselor submits required data to the PLTW Affiliate Director
- On approval Affiliate Director sends information to student on number of credits received
- Engineering student enrolls in appropriate EGR 198 course to receive credit during the semester

Prereq: Enrollment in the College of Engineering.

**National College Credit Recommendation Service
(NCCRS)**

Students may be eligible to receive credit for extra-institutional learning. The American Council on Education through its National College Credit Recommendation Service (NCCRS) has evaluated over 2,000 courses sponsored by over 140 corporations, organizations, and agencies drawn from business, industry, and government. On the basis of the NCCRS evaluations, the University has established guidelines for awarding credit for college-level courses. The University recognizes these recommendations as appropriate credit for meeting degree requirements.

The University's colleges and departments determine the amount of credit that will apply to a student's curriculum.

Information on the NCCRS appears in *The National Guide to Educational Credit for Training Programs*. For more information, contact the Office of Undergraduate Admission.

Evaluation of Military Credit

Military Credit is awarded following the procedures below:

I. Procedures

- A. The student must submit a letter requesting evaluation, along with the necessary supportive documentation, to the Office of Admission.
- B. The letter should specify the types of educational experiences the student wishes to have evaluated.
 1. Military Schools should be listed by:
 - Name of school
 - Location
 - Name of course

- Length of course in weeks
- Date course began
- Date course completed
- Final mark and/or standing in class

2. Military Occupational Specialties (MOS) should be listed by:
 - Complete MOS designation
 - MOS Title
 - Period of time MOS was held as a primary duty assignment
 - How MOS was awarded (School Attendance, OJT, etc.)
 - MOS evaluation score and date of evaluation

II. Documentation

- A. Official documentation is necessary to support the awarding of any credit based on military service. The supportive documentation required is as follows:
 1. Computerized transcript from the Army/American Council on Education Registry (request forms are available in the Office of Undergraduate Admission)
 2. Copies of Course Completion Certificates
 3. Enlisted Evaluation Data Report reflecting competency in any MOS submitted for evaluation
 4. DD Form 214 (Report of Transfer or Discharge) if no longer on Active Duty
- B. Required documentation may be obtained as follows:
 1. Active Duty Personnel: Custodian of individual's personnel records, Military installation to which assigned
 2. Retired Army Personnel or Reserve Personnel:
US Army Reserve Component & Administration Center (TAGO)
9700 Page Boulevard
St. Louis, Missouri 63132
 3. Discharged Personnel (Veterans):
General Services Administration
National Personnel Records Center (Military Personnel Records)
9700 Page Boulevard
St. Louis, Missouri 63132
 4. Discharged Personnel Now Members of Army National Guard:
National Guard unit to which assigned

III. Awarding of Credit

Credit is evaluated using the ACE Guide for evaluation of military credit (Army, Navy, Air Force, Coast Guard). ACE guide recommends hours to be awarded based on the length and content of each course. Evaluations are typed on appropriate form.

- A. Credit will be awarded on the student's official academic transcript.
- B. No credit will be awarded based on a Military Occupational Specialty (MOS) which has not been held as a primary duty assignment for a minimum duration of one (1) year or more.
- C. Copies of the Evaluation are forwarded to the college dean's office and to Student Records Office.
- D. One copy of the evaluation is maintained in the Office of Undergraduate Admission.
- E. Each college determines how awarded hours may be used in the degree program.

THE CHELLGREN STUDENT FELLOWS PROGRAM AND THE GAINES FELLOWSHIP PROGRAM

The Chellgren Student Fellows Program is designed to provide experiences for outstanding sophomores at UK. The program offers students opportunities to go beyond classroom instruction in order to help them cultivate extraordinary academic achievement. These programs are explicitly intended to help high-achieving undergraduates attain levels of accomplishment that will enable them to compete successfully for prestigious awards – such as the Rhodes, Marshall, and Truman Scholarships – and gain admittance into the very best graduate and professional programs.

The John R. and Joan B. Gaines Fellowship in the Humanities is awarded to a select number of upper-level students. Gaines Fellows are mentored by UK faculty in a jury project (junior year), then a thesis project (senior year).

THE LEWIS HONORS COLLEGE

The Lewis Honors College is dedicated to excellence in undergraduate education and engages students holistically to learn and thrive. The mission of the Lewis Honors College is to better the Commonwealth of Kentucky and the world by helping students to explore their purpose, develop intellectually, and lead with integrity. The Lewis Honors College at the University of Kentucky offers specialized, interdisciplinary, seminar style classes consisting of up to 25 students, as well as departmental Honors section courses, which accelerate common undergraduate education course offerings such as biology, chemistry, and English. The flexibility of the required curriculum in order to earn the Lewis Honors College graduation designation allows students to select classes from a variety of course offerings that best suit their individual interests and needs. Lewis Honors College students satisfy six credit hours of required Lewis Honors College experiences through opportunities like research experiences, service learning, education abroad, and/or internship programs. Students complete their Lewis Honors College curriculum through engagement in a Senior Thesis project. Lewis Honors College participation at the University of Kentucky allows students priority registration, dedicated advising, and access to the Lewis Honors College Center for Personal Development. The class discussions demand active participation and involvement, and are led by full-time faculty members. The Lewis Honors College encourages students' interest in other divisions of excellence such as the Chellgren Center for Undergraduate Excellence and the Gaines Center for the Humanities, among others. The Lewis Honors College typically looks for a 28 ACT (1270 SAT) and at least a 3.5 GPA from applicants; however, it primarily identifies self-motivated, eager students through the essay question responses, class rigor, and extracurricular participation.

THE UNIVERSITY SCHOLARS PROGRAM

The University Scholars program offers students the opportunity and challenge of integrating their undergraduate and graduate or professional courses of study into a single, continuous program leading to both a baccalaureate and master's degree. The student's particular requirements will determine the amount of time needed to complete the program; however, the program can normally be completed in less time than that required in a conventional program.

Admission to the Program

Applicants for the University Scholars program must meet the following admissions requirements:

1. The applicant must have senior standing (completed at least 90 hours of course work) and have completed all UK Core requirements.
2. Students should apply at the end of their junior year.
3. The master's program should be in the field of the undergraduate major.
4. Applicants must have an undergraduate grade-point average of 3.5 or above in their major field and 3.2 or above overall.
5. Follow the current application procedures for the Graduate School, subject to the above conditions. Admission decisions will be made by the Graduate Dean or his/her appointee.

Degree Requirements and Curriculum

Students in the University Scholars program must meet these requirements:

1. The total number of credit hours completed for the combined program may be twelve (12) fewer than the total required for both the bachelor's and master's, or bachelor's and graduate doctoral degrees. (**The requirements for the bachelor's degree are unchanged.**)
2. Students should take no more than 16 credit hours per semester, unless they have express permission from the appropriate director of graduate studies and the Dean of The Graduate School.
3. Students must complete at least 36 hours of graduate level courses in the combined program, 15 credit hours of which must be in the 600 level or above for a Plan B master's degree. Students pursuing Plan A must complete at least 30 hours of graduate level courses in the combined program of which 12 credit hours must be at the 600 level or above. (Consult *The Graduate School Bulletin* for detailed information concerning Plan A and Plan B for master's degrees.)
4. Students must have an undergraduate and a graduate advisor. A jointly planned program must be prepared for each student.
5. In order to participate in the University Scholars program, a department must submit to The Graduate School a plan and illustrative examples of typical programs.

DONOVAN SCHOLARS PROGRAM AND OSHER LIFELONG LEARNING INSTITUTE AT UK

The University of Kentucky has a long-standing interest in individuals of or nearing retirement age. In 1962, the Board of Trustees established the Council on Aging to serve as the focal point for programs for older persons. The Council is an integral part of the College of Public Health.

The Herman L. Donovan Fellowship for Older Adults

The Donovan Fellowship, named in honor of the late Herman L. Donovan, University President from 1941-1956, is open to persons who are 65 years of age or older who live in Kentucky. Tuition is waived for Donovan Fellows. Students may work toward an undergraduate or graduate degree, audit classes for the joy of learning, or take individual courses for credit. The program is available at the Lexington campus. Fellows are responsible for books, supplies, parking and applicable taxes. Due to space limitations, classes rarely are available for instruction in music and voice. All state-supported institutions of higher learning in Kentucky offer tuition-free classes for persons 65 years of age or older.

For more information, contact Tyler Barber at (859) 257-2657; or email: Tyler.Barber@uky.edu.

Osher Lifelong Learning Institute (OLLI) at UK, Lexington and Morehead

The OLLI at UK offers intellectual, social, and cultural programs for adults aged 50 years and older which characterize the university setting. Educational, enrichment, and experiential learning opportunities are offered at our locations in Lexington and Morehead. Programs are held in community locations and are offered in a variety of formats including: weekly courses, presentations series, trips, events, interest groups and more. Courses are taught in: history and government, culture and travel, languages, literature and writing, health and wellness, science and environment, and the visual and performing arts. The annual membership fee is \$25; course fees vary.

For more information, contact the OLLI at UK at (859) 257-2656; toll free at (866) 602-5862; or email: Teresa.Hager@uky.edu.

OLLI at UK
Ligon House

ACADEMIC PREPARATION AND PLACEMENT PROGRAM

The Academic Preparation and Placement Program (APP) provides placement testing for incoming students and preparatory instruction for admitted students who have not yet met statewide minimum test score requirements for college readiness.

Placement Testing

Placement testing at UK is offered FREE of charge for all admitted students.

Math

Placement testing in mathematics is **required** for all students with ACT Math under 30 (SAT Math under 700). The University of Kentucky uses the ALEKS math placement test to ensure students' proper course enrollment in mathematics courses to meet UK Core and to prepare for their major program of study.

English

UK Placement tests in Reading and Writing are also available to assess students' skills in these areas and assist advisors in recommending courses.

English as a Second Language

Placement testing in Reading and Writing is available for international students who have an ACT reading sub-score below 20 (SAT reading below 25), an ACT English sub-score below 18 (SAT writing below 25), a TOEFL score below 100, or any TOEFL sub-score below 20.

Information about all placement tests are online at: www.uky.edu/app/place-ment-testing under 'Placement Testing.' In order to register for online testing, students will need their official UK ID number.

APP Courses

APP offers courses in Reading, Writing, and Math. Students enrolled in APP courses will have access to resources that support their success. Resources include peer tutoring, study skills development, and academic coaching.

UK 120 APP Reading

This course is designed to develop critical reading strategies necessary to demonstrate college readiness. These strategies are crucial to being successful at UK throughout your academic experience. This course gives students an opportunity to learn and practice what it means to be an active and engaged reader.

International students requiring college readiness in reading and listening should visit the Center for English as a Second Language *English for Academic Purposes* page at <https://esl.as.uky.edu/eap> and click on CESL 100 and CESL 110.

UK 130 APP Writing

This writing course is designed to empower students to master critical college analytical writing concepts while including multiple points of intervention and access to resources in support of students' regular course work. Trained learning specialists guide students in support of academic success and are available for inside and outside of classroom support.

International students requiring college readiness in writing and speaking should visit the Center for English as a Second Language *English for Academic Purposes* page at <https://esl.as.uky.edu/eap> and click on CESL 110 and CESL 130.

UK 095 APP for Quantitative Reasoning & UK 096 APP for College Algebra

UK 095/096 are designed to further a student's understanding of the fundamental concepts of mathematics, so that they are equipped to handle more advanced topics in subsequent mathematics courses. UK 095 provides support in preparation for MA 111 and UK 096 provides support in preparation for MA 109. Taught concurrently, this unique workshop approach allows students to work at an individualized pace in a supportive classroom environment. Students are assisted by a teaching assistant and peer educator for one on one and small group instruction.

ESL120 Reading for Academic Purposes & ESL130 Writing for Academic Purposes

International students who have an ACT reading sub-score below 20 (SAT critical reading below 25), an ACT English sub-score below 18 (SAT writing below 25), a TOEFL score below 100, or any TOEFL sub-score below 20, will be automatically registered for English Language Testing upon arrival. Students who do not meet the minimum required test scores will be required to enroll in supplemental courses in English, for academic credit, to be taken during their first year as fully enrolled students. Completion of this "ESL APP course work" may be required before admission to particular academic colleges and/or majors, and additional college-specific or major-specific requirements may apply.

For more information on APP coursework, please visit www.uky.edu/app/.

Placement for Composition and Communication Courses

Students entering UK must meet basic skills in the UK Core. The placement information outlined below plays an important role in determining specific options for meeting these requirements. Please carefully read the placement information below to determine which placement exam(s) or other exam(s) you may benefit from taking.

UNIVERSITY COMPOSITION AND COMMUNICATION REQUIREMENT

All students must fulfill the University Composition and Communication Requirement. See “Composition and Communication Requirements” in the *Graduation Requirements* section of this Bulletin for more information.

<p>You have scored 32 or above on ACT English <i>or</i> 720 or above on SAT Writing Score <i>or</i> earned a score of 6 or 7 on the Higher Level IB English (Language A: Literature) course</p> <ul style="list-style-type: none"> • <i>No course credit awarded</i> 	—	<p>Enrollment permitted in CIS/WRD 112 or CIS/WRD 110</p> <p>Does not satisfy any portion of the Composition and Communication requirement. Must complete Graduation Composition and Communication Requirement course(s) in major after achieving sophomore status</p>
<p>You have scored 3 on AP English Language/Composition Exam</p> <ul style="list-style-type: none"> • <i>3 credits awarded for Departmental Elective Credit (WRD 1--)</i> at the 100 level 	—	<p>Enrollment permitted in CIS/WRD 110</p> <p>Does not satisfy any portion of the Composition and Communication requirement. Must complete Graduation Composition and Communication Requirement course(s) in major after achieving sophomore status</p>

Placement for Composition and Communication Courses

UNIVERSITY COMPOSITION AND COMMUNICATION REQUIREMENT

You have scored 50-74 on American Literature or English Literature or Analyzing & Interpreting Literature CLEP Exam • 3 credits awarded for <i>Departmental Elective Credit (ENG 1--)</i> at the 100 level	—	Must enroll in CIS/WRD 110 Does not satisfy any portion of the Composition and Communication requirement. Must complete Graduation Composition and Communication Requirement course(s) in major after achieving sophomore status
You have scored 75-80 on American Literature or English Literature or Analyzing & Interpreting Literature CLEP Exam • 3 credits awarded for ENG 230	—	Must enroll in CIS/WRD 110 Does not satisfy any portion of the Composition and Communication requirement. Must complete Graduation Composition and Communication Requirement course(s) in major after achieving sophomore status
You have scored 3 on the AP Capstone Seminar exam	—	Must enroll in CIS/WRD 110 Does not satisfy any portion of the Composition and Communication requirement. Must complete Graduation Composition and Communication Requirement course(s) in major after achieving sophomore status
You have scored 4 or 5 on the AP Capstone Seminar exam	—	Must enroll in CIS/WRD 112 Does not satisfy any portion of the Composition and Communication requirement. Must complete Graduation Composition and Communication Requirement course(s) in major after achieving sophomore status
You have completed ENG 101 and 102 (or equivalent)	—	Must enroll in COM 252, COM 281, or COM 287 Partially satisfies the Composition and Communication requirement; completion of COM 252, COM 281, or COM 287 fulfills the Composition and Communication Requirement . Must complete Graduation Composition and Communication Requirement course(s) in major after achieving sophomore status
You have completed ENG 101	—	Must enroll in CIS/WRD 110 Does not satisfy any portion of the Composition and Communication requirement. Must complete Graduation Composition and Communication Requirement course(s) in major after achieving sophomore status

For More Information

First-Year Requirement Questions: (859) 257-7002.

Graduation Composition and Communication Requirement Questions: (859) 257-3027.

Placement for Mathematics, Biology and Chemistry Courses

These prerequisites are in effect and will be applied to all students. Students should see their advisor before enrolling in any courses. A **math placement test is required for all students with a Math ACT score of 26 or below or a Math SAT of 610 or below.**

MATHEMATICS

If your ACT Math Score is:

Less than or equal to 18 (Math SAT: less than or equal to 450)	and COMPASS math placement test required	Enrollment permitted in MA 108R, UK 090 (enrollment in MA 109, MA 111, MA 112 barred)
	and Appropriate score achieved on COMPASS math placement test	Enrollment permitted in MA 111
19-20 (Math SAT: 460-500)	Math placement test required	Enrollment permitted in MA 108R, MA 111 (enrollment in MA 109, MA 112 barred)
	and Appropriate score achieved on math placement test	Enrollment permitted in MA 109, MA 110, MA 112
21-22 (Math SAT: 510-530)	Math placement test required	Enrollment permitted in MA 109, MA 111, MA 112 (enrollment in MA 110 barred)
	and Appropriate score achieved on math placement test	Enrollment permitted in MA 110
23-25 (Math SAT: 540-590)	Math placement test required	Enrollment permitted in MA 109, MA 110, MA 111, MA 112 (enrollment in MA 113, MA 123 barred)
	and Appropriate score achieved on math placement test	Enrollment permitted in MA 113, MA 123
26 (Math SAT: 600-610)	Math placement test required	Enrollment permitted in MA 109, MA 110, MA 111, MA 112, MA 123 (enrollment in MA 113 barred)
	and Appropriate score achieved on math placement test	Enrollment permitted in MA 113
27 or greater (Math SAT: 620 or greater)	Math placement not required	Enrollment permitted in MA 113, MA 123

BIOLOGY

If your ACT Math Score is:

Less than 24 (Math SAT: less than 560)	and MA 109 not completed	Enrollment in BIO 148 barred
	or MA 109 completed AND CHE 105 completed or concurrent enrollment	Enrollment permitted in BIO 148
24 or greater (Math SAT: 560 or greater)	and CHE 105 completed or concurrent enrollment	Enrollment permitted in BIO 148
Earned a C or better in BIO 148 <i>Students must complete BIO 148 prior to enrolling in BIO 152</i>		Enrollment permitted in BIO 152

CHEMISTRY 105

Proficiency in chemistry and biology are options in the Natural, Physical and Mathematical Sciences requirement of the UK Core. If you plan to major in science, nursing, engineering, or a health profession, chemistry and biology may be important parts of your first year at UK. A strong math background is essential for success in chemistry, and a strong chemistry background is essential for success in biology. The chart below can help you determine what level of science you're eligible to take.

*If your ACT Math Score is:

Less than or equal to 22 (Math SAT: less than or equal to 530)	and Appropriate score on math placement test not achieved and MA 109 or MA 110 not completed	Enrollment in CHE 105 barred
	or Appropriate score on math placement test achieved and enrollment permitted in MA 123	Enrollment permitted in CHE 105
	or MA 109 or MA 110 completed with passing grade	Enrollment permitted in CHE 105
23 or greater (Math SAT: 540 or greater)		Enrollment permitted in CHE 105

University of Kentucky Policy Guide for Advanced Placement

AP Test	Score	Credit Awarded	Credit Statement	UK Core Area
Art History	3 - 5	A-H 106	3 credit hours for A-H 106 with a grade of CR.	Humanities
Art Studio (Drawing)	3 - 5	A-S 1--	3 credit hours for 100-level art studio credit (see note below) with a grade of CR. <i>Credit will be replaced with 3 credit hours in the appropriate media course upon successful completion of a portfolio review. Please contact the Director of Undergraduate Studies for the School of Art and Visual Studies to schedule your review.</i>	
Art Studio (2-D Design)	3 - 5	A-S 1--	3 credit hours for 100-level art studio credit (see note below) with a grade of CR. <i>Credit will be replaced with 3 credit hours in the appropriate media course upon successful completion of a portfolio review. Please contact the Director of Undergraduate Studies for the School of Art and Visual Studies to schedule your review.</i>	
Art Studio (3-D Design)	3 - 5	A-S 1--	3 credit hours for 100-level art studio credit (see note below) with a grade of CR. <i>Credit will be replaced with 3 credit hours in the appropriate media course upon successful completion of a portfolio review. Please contact the Director of Undergraduate Studies for the School of Art and Visual Studies to schedule your review.</i>	
Biology	3	BIO 102, 103	3 credit hours each for BIO 102, 103 with a grade of CR.	Natural/Physical/ Mathematical Sciences
	4 or 5	BIO 103, 148, 152	3 credit hours each for BIO 103, 148, 152 with a grade of CR.	
Calculus AB	3 - 5	MA 113	4 credit hours for MA 113 with a grade of CR.	Quantitative Foundations
Calculus BC	3 - 5	MA 113, 114	4 credit hours each for MA 113, 114 with a grade of CR.	Quantitative Foundations
	3 - 5 subscore on AB subsection	MA 113	4 credit hours for MA 113 with a grade of CR.	Quantitative Foundations
Capstone Research	3 - 5	GEED 1--	3 credit hours for GEED 1-- with a grade of CR.	
Capstone Seminar	3 - 5	WRD 1--	3 credit hours for WRD 1-- with a grade of CR. Score of 3 provides placement in CIS/WRD 110. Score of 4 or 5 provides placement in CIS/WRD 112.	
Chemistry	3 - 4	CHE 105, 111	4 credit hours for CHE 105 and 1 credit hour for CHE 111 with a grade of CR.	Natural/Physical/ Mathematical Sciences
	5	CHE 105, 107, 111	4 credit hours for CHE 105, 3 credit hours for CHE 107, and 1 credit hour for CHE 111 with a grade of CR.	Natural/Physical/ Mathematical Sciences
Chinese Language and Culture	3	CHI 102	4 credit hours for CHI 102 with a grade of CR.	
	4	CHI 102, 201	4 credit hours each for CHI 102, 201 with a grade of CR.	
	5	CHI 102, 201, 202	4 credit hours each for CHI 102, 201, 202 with a grade of CR.	
Computer Science A	3 - 5	CS 115	3 credit hours for CS 115 with a grade of CR.	
Computer Science Principles	3 - 4	CS 1--	3 credit hours for Departmental Elective Credit at the 100 level with a grade of CR.	
	5	CS 101	3 credit hours of CS 101 with a grade of CR.	
Economics (micro)	3 - 5	ECO 201	3 credit hours for ECO 201 with a grade of CR.	
Economics (macro)	3 - 5	ECO 202	3 credit hours for ECO 202 with a grade of CR.	

University of Kentucky Policy Guide for Advanced Placement

AP Test	Score	Credit Awarded	Credit Statement	UK Core Area
English Language and Composition	3	WRD 1--	3 credit hours for WRD 1-- with a grade of CR.	Does not satisfy any portion of the Composition and Communication requirement.
	4-5	WRD 1--	3 credit hours for WRD 1-- with a grade of CR. Enrollment permitted in CIS/WRD 112.	Does not satisfy any portion of the Composition and Communication requirement.
English Literature and Composition	3 or 4	ENG 1--	3 credit hours for Departmental Elective Credit at the 100 level with a grade of CR.	Does not satisfy any portion of the Composition and Communication requirement.
