We are excited that you plan to attend UK and your Freshman and Transfer Student “see blue.” U Orientation. During Orientation, you will meet with your academic college and register for classes.

Check-in and Schedule

You should arrive at the White Hall Classroom Building between 8:00 a.m. and 8:45 a.m. It is important that you arrive on time. The program begins at 9:00 a.m. and concludes around noon. You must participate in the entire program.

Agenda

8:00 – 8:45 a.m.    Check-in – White Hall Classroom Building
9:00 a.m.           Welcome to UK & Information
10:00 a.m.          Academic Advising & Registration

Orientation Fee

The “see blue.” U University Orientation fee is $25 for students. The fee will be added to your tuition statement. Do not mail the fee to the University before your orientation. This fee covers all orientation materials, new student registration and daily parking on the day of your Orientation.

Technology

The University of Kentucky strongly recommends that each student purchase a personal laptop computer or equivalent tablet device. Visit www.uky.edu/ukit/hardwareguide to learn more about our recommendation. If you already have a laptop (preferred) or tablet device, we request that you bring that with you to “see blue.” U. Please note that students bringing an iPad should download the Google Chrome browser which supports our course registration systems.

Math Placement Exam

All incoming students are required to take the ALEKS math placement exam unless they meet one of the requirements for an exemption:

- Have one of the following ACT/SAT scores on file: ACT math subscore of 30 or above; SAT (test given prior to March 2016) math subscore of 680 or above; or SAT (test given after March 2016) math subscore of 710 or above; or
- Have completed a college-level math course equivalent to UK MA 109 (College Algebra) or MA 111 (Introduction to Contemporary Math) or higher at UK or another institution.

If you do not meet one of these requirements and have not completed the ALEKS math placement exam, please complete it immediately. Access the exam and learn more about math placement at www.uky.edu/app/aleks-registration.

Assistance

If you, your family members or your guests require any additional assistance due to a disability, please e-mail us at orientation@uky.edu at least two days before you arrive. We will be glad to assist you.

Preparing for Course Registration

You may want to review the 2018-2019 UK Bulletin on-line at http://seeblue.com/bulletin, or view the Fall 2018 Schedule of Classes in your myUK Web portal under Student Services, Degree Planning and Registration (myUKGPS), Menu, Course Catalog.
Major Changes

Programming during “see blue.” U is based on your academic college and major and allows our college advisors to prepare for your arrival. You will be best served by researching majors now and notifying us of any changes. Visit www.uky.edu/academics for complete information on every major UK offers. If you would like to change your major, please send your name, Student ID number and new major to orientation@uky.edu as soon as possible.

Parking Permits for Fall 2018

Please note that it is not essential to bring a car to campus. Many students find that it’s just as quick, easy and convenient to get around campus and Lexington by using the alternative transportation resources that the University and city offer - including car sharing through Zipcar; the BluPass program, which allows students to ride all Lextran routes free with a Wildcard ID; and the Big Blue Cycles fleet, which consists of more than 150 bicycles available exclusively to students who live in campus housing who sign a commitment not to bring a car to Lexington. In fact, less than half of our residential students and fewer than a third of all students bring a vehicle to campus, a decision from which everyone benefits – our campus, our community and our environment. Students may apply for a Big Blue Cycles bike at www.uky.edu/transportation/bigbluecycles. Be sure to check out all of the options available in our alternative transportation network at www.uky.edu/transportation/alternativetransportation. Eligible students who choose to bring a car to campus are encouraged to purchase permits online at www.uky.edu/transportation. Student permit sales begin in June, with the date varying based on permit type.

WildCard Student ID

During your “see blue.” U Orientation, you can purchase your WildCard student ID in the Gatton Student Center. There is a $17 charge for a new student ID and $5 charge for an ID holder (this is optional). Each student will need to bring a government-issued photo ID to obtain the WildCard (driver’s license, passport, military ID or state identification card). The Wildcard ID office is open each day from 8 a.m. – 4:15 p.m.

Guest Access and Direct Deposit

Authorize parents, relatives or others to view your student account transactions and make payments on your behalf by enrolling in Guest Access. You will also need to enroll in Direct Deposit for refunds. Go to the myUK Financials tab and select Account Services for access.

University of Kentucky Bands

The University of Kentucky Bands are open to all students at the University of Kentucky regardless of academic major. Ensembles in the UK Band program include the Wildcat Marching Band, Wind Symphony, Symphony Band, Concert Band, and Basketball Pep Band. The Wildcat Marching Band is the largest student organization at UK, representing nearly every academic major on campus, and performs at nationally televised events for hundreds of thousands of Big Blue Nation fans every year. Anyone interested in joining the Wildcat Marching Band is encouraged to contact the Director of Athletic Bands at dana.biggs@uky.edu, or by calling 859-257-BAND. Auditions for Wind Symphony and Symphony Band take place two days prior to the start of classes each semester (no audition required for Concert Band). For information on auditioning for a concert group, you may contact Director of Bands, Dr. Cody Birdwell, at cody.birdwell@uky.edu, or by calling 859-257-BAND. More information is also available at http://finearts.uky.edu/ukbands.
