**PARKING PERMITS
FOR SUMMER II
2017**

Please note that it is not essential to bring a car to campus. Many students find that it's just as quick, easy and convenient to get around campus and Lexington by using the alternative transportation resources that the University and city offer - including the BluPass program, which allows students to ride all Lextran routes free with a Wildcard ID. In fact, less than half of our residential students and fewer than a third of all students bring a vehicle to campus, a decision from which everyone benefits – our campus, our community and our environment. Be sure to check out the options available in our alternative transportation network at www.uky.edu/pts/alternative-transportation. Eligible students who choose to bring a car to campus are encouraged to purchase permits online at www.uky.edu/pts.

**GUEST ACCESS
AND DIRECT
DEPOSIT**

Authorize parents, relatives or others to view your student account transactions and make payments on your behalf by enrolling in Guest Access. You will also need to enroll in Direct Deposit for refunds. Go to the **myUK** Financials tab and select Account Services for access to these services.
