ORIENTATION FEE
The “see blue.” U University Orientation fee is $25 for students. The fee will be added to your Spring 2020 tuition statement. Do not mail the fee to the University before your orientation. This fee covers all orientation materials, new student registration and daily parking on the day of your Orientation.

ASSISTANCE
If you, your family members or your guests require any additional assistance due to a disability, please e-mail us at orientation@uky.edu at least two weeks before you arrive. We will be glad to assist you.

MAJOR CHANGES
Programming during “see blue.” U is based on your academic college and major and allows our college advisors to prepare for your arrival. You will be best served by researching majors now and notifying us of any changes. Visit www.uky.edu/academics for complete information on every major UK offers. If you would like to change your major, please send your name, Student ID number and new major to orientation@uky.edu as soon as possible.

TECHNOLOGY
The University of Kentucky strongly recommends that each student purchase a personal laptop computer or equivalent tablet device. Visit www.uky.edu/ukit/hardwareguide to learn more about our recommendation. If you already have a laptop (preferred) or tablet device, we request that you bring that with you to “see blue.” U. Please note that students bringing an iPad should download the Google Chrome browser which supports our course registration systems.

PREPARING FOR COURSE REGISTRATION
You may want to review the 2019-2020 UK Bulletin on-line at seeblue.com/bulletin, or view the Spring 2020 Schedule of Classes in your myUK Web portal under Student Services, Degree Planning and Registration (myUKGPS), Menu, Course Catalog.
MATH PLACEMENT EXAM

The completion of the ALEKS math placement test is required for the following students:

- All admitted first-time students with a Math ACT score below 19
- All admitted first-time students with a Math SAT score below 500 (after March 2016)

The ALEKS placement test is optional for any incoming UK student with a Math ACT of 19 or Math SAT of 500 or above.

If you are required to take the ALEKS math placement test based on the information above and have not completed it, please visit www.uky.edu/app/aleks-registration. You may complete this online prior to orientation or on campus on November 22. Registration is required at the link above.

PARKING PERMITS FOR SPRING 2020

Please note that it is not essential to bring a car to campus. Many students find that it's just as quick, easy and convenient to get around campus and Lexington by using the alternative transportation resources that the University and city offer - including car sharing through Zipcar; a free city transit program, which allows students to ride all Lextran routes free with a Wildcard ID; and the Big Blue Cycles fleet, which consists of more than 150 bicycles available exclusively to students who live in campus housing who sign a commitment not to bring a car to Lexington. In fact, less than half of our residential students and fewer than a third of all students bring a vehicle to campus, a decision from which everyone benefits – our campus, our community and our environment. Students may apply for free bike rentals at www.uky.edu/transportation/bikerentaloptions. Be sure to check out all of the options available in our alternative transportation network at www.uky.edu/transportation.

Eligible students who choose to bring a car to campus are encouraged to purchase permits online at www.uky.edu/transportation. Student permit sales begin in June, with the date varying based on permit type.

WILDCARD STUDENT ID

During your “see blue.” U Orientation, you can purchase your WildCard student ID from the Wildcard ID office room A380 in the Gatton Student Center. There is a $17 charge for a new student ID and $5 charge for an ID holder (optional). Each student will need to bring a government-issued photo ID to obtain the WildCard (driver’s license, passport, military ID or state identification card). The Wildcard ID office is open Monday – Friday 8 a.m. – 4:15 p.m.

GUEST ACCESS AND DIRECT DEPOSIT

Authorize parents, relatives or others to view your student account transactions and make payments on your behalf by enrolling in Guest Access. You will also need to enroll in Direct Deposit for refunds. Go to the myUK Financials tab and select Account Services for access.
