- 1 Student Smart Checking has no minimum balance requirement or monthly service charge.
- 2 Each Student Smart Checking account that transacts on a non-UKFCU ATM or ATM with which UKFCU is not a network member, may receive a fee from the ATM owner, however, UKFCU does not charge a foreign ATM fee. Transactions include withdrawals, transfers, and balance inquiries. If a debit card replacement is required the fee is \$5.00.
- 3 The fee applies to Overdraft Items and Returned Items. An Overdraft Item fee is charged when the item is paid. A Returned Item (also known as Non-Sufficient Funds or NSF) fee is charged when the item is returned unpaid.
Standard Overdraft Practices for All Accounts (Default):
If your account balance is not enough to cover a withdrawal from your account:
 - Overdrafts for checks, automatic bill payments or other transactions using your account number may be authorized and paid, on a case by case basis. Standard overdraft and returned item fees apply.
 - Overdrafts for ATM transactions or everyday one-time check card transactions are not authorized and paid, unless you allow UKFCU to do so. These are declined at no cost.
 - There is no maximum number of total Overdraft and Returned Item Fees per day.
- 4 Fee is applied if aggregate balance of all accounts is less than \$500, and account has had no activity in 365 days.
- 5 If a non-member owned item is deposited and returned the fee is \$3, a returned deposited item from a member owned account is \$10.
