

2019 Sustainability Challenge Grant Program

Technical Review Rubric

Project Title: _____

Reviewed by: _____

Criteria	Score (1-5)
The proposal clearly defines the goals and objectives and includes a summary of methods, team members and stakeholders and measurable outcomes.	
The proposal concisely explains how the project will promote sustainability by simultaneously advancing economic vitality, ecological integrity and social equity, now and into the future.	
The proposal clearly defines how student involvement is strongly integrated with the project.	
The project team includes a high level of interdisciplinarity.	
The proposal demonstrates transformational potential.	
The proposal describes how the University could adopt and maintain the project or particular outcomes beyond the initial 12 months.	
The proposal clearly describes how the goals and objectives will be completed within one year.	
The approach and methodology are clearly defined and appropriate to the goals and objectives.	
The planned assessment and evaluation processes are well defined and appropriate for gathering indications of project success.	
The proposal describes how the project integrates the campus (faculty, staff, students and/or University buildings, grounds, and equipment) as a living laboratory.	
An innovative and effective communication plan is provided.	
Proposed project is directly relevant to the strategic objectives identified in the: <ol style="list-style-type: none"> 1. UK Strategic Plan - www.uky.edu/sotu/2015-2020-strategic-plan 2. UK Sustainability Strategic Plan - www.uky.edu/sustainability/sustainability-strategic-plan 3.
