Land Swap

Land Swap

Spin Bikes Deployment

- Spin launched over the summer with 500 bikes total throughout Lexington, including campus
- The bike share service has been so popular in the first few months that Spin deployed an additional:
 - 200 bikes in mid-August, and
 - 200 more bikes at the beginning of September
- Now there are 900 bikes total throughout the community, rebalanced on a daily basis to ensure availability at the most popular and high-traffic locations, including seven rebalancing locations on campus

Spin Bikes Usage on Campus and in Lexington

Employee Financial Wellness

- Enrich, by iGrad, will be added to offering in Spring 2019. Enrich is a self-paced, conflict-of-interest-free source of financial education for employees.
- SmartDollar Financial Foundations Course starting Fall 2018: aims to help participants eliminate debt, accumulate wealth, and gain financial confidence
 - Eight-week course, facilitated by EVPFA and Todd Macaulay, UK Human Resource Financial Wellbeing Officer and Certified Financial Planner
 - Delivered through videos that employees can watch from home on iPad provided for the course
 - One Year of premium access to EveryDollar budgeting app
