Chairman, Board of Trustees June 14, 2024

Members, Board of Trustees:

PROCESS FOR THE 2023-24 PRESIDENTIAL EVALUATION

<u>Recommendation</u>: that the Board of Trustees approve the process, attached timeline and preliminary list of survey questions as part of the 2023-24 Presidential Evaluation.

<u>Background</u>: Pursuant to Section E. (Evaluation), of President Eli Capilouto's Employment Agreement with the University of Kentucky Board of Trustees, an annual performance evaluation shall be performed.

As in the past, the evaluation of the President's performance in 2023-24 will include input from various constituencies; and each member of the Board will be asked to provide an evaluation of the President. The chair of the Board of Trustees and the Executive Committee, in consultation with the President, will agree on a set of questions. The evaluation will consider the President's performance across the range of responsibilities of the office and missions of the University, including strategic priorities adopted by the Board of Trustees. The performance assessment document may contain both qualitative and quantitative components.

Assessment of the President's performance will be transmitted to the Board from electronic survey responses from various constituent groups, including members of the Board. In addition to the electronic responses, the President will prepare and submit an annual self-evaluation to the Board.

The Executive Committee will review the President's self-evaluation, a summary of the survey responses, and will meet with the President to provide feedback. The Executive Committee will share the information with the full Board of Trustees and propose any potential recommendations to the Board.

This process would be used to assess the President's performance and provide feedback on his accomplishments and challenges. It also would be used to determine any changes to the President's compensation.
