C. GRADUATE MEDICAL EDUCATION RESIDENTS

DiPaola, Blake C., first-year medical resident in the Department of Surgery, dates set by Office of Graduate Medical Education.

Taormina, Briana G., Department of Obstetrics and Gynecology, dates set by Office of Graduate Medical Education.

Approval of these residents is under Administrative Regulation – Regulations Affecting Employment (Formerly GR X), Section A.1(c) regarding relatives of any person reporting directly to the President. The residents are the son and daughter-in-law of Provost Robert DiPaola. This approval makes the following findings:

(1) The employment is in the best interest of the University. The residents will advance the University's mission of serving Kentucky by meeting the unique health needs of the Commonwealth's communities.)

(2) The Board has been informed of the selection process and all University regulations and policies regarding hiring and employment qualifications have been followed. The individuals were selected as first-year medical residents following a formal application process open to all parties interested in completing their medical residencies at the University of Kentucky. Their placement with the University was determined by the National Residency Match Program, an independent, non-profit organization that uses a mathematical algorithm to place applicants into residency positions throughout the United States.

(3) The Board has reviewed and approved a written management plan, including an agreement concerning supervisory and other management arrangements. The management plan shall ensure that employment decisions are made impartially and that neither employee is disadvantaged. The management plan shall ensure that the possibility of nepotism and the appearance of impropriety are eliminated and shall be consistent with *Human Resources Policy and Procedures 19.0, Nepotism*. As with all medical residents, the residents' performance will be overseen by the Office of Graduate Medical Education (GME) in the College of Medicine. All work assignments, duties, work hours, shift assignments, paid and unpaid leave, etc., will follow processes outlined in the GME Policies and Procedures

manual. Mr. DiPaola's performance for the Department of Surgery will be supervised by Dr. Cortney Lee, who reports to the Division Chief for General, Endocrine, and Metabolic Surgery, who reports to the Chair of the Department of Surgery, who reports to the Dean of the College of Medicine, who reports to the Provost. Mr. DiPaola will be five (5) levels removed from the Provost. Ms. Taormina's performance for the Department of Obstetrics and Gynecology will be supervised by Dr. Miriam B. Marcum, who reports to the Division Director of General Obstetrics and Gynecology, who reports to the Chair of the Department of Obstetrics and Gynecology, who reports to the Dean of the College of Medicine, who reports to the Provost. Ms. Taormina will be five (5) levels removed from the Provost. As outlined in the draft Nepotism Management Plan made available for review, any concerns regarding Mr. DiPaola or Ms. Taormina that are not resolved through processes outlined in the GME Policies and Procedures manual will be directed to the Associate Vice President of Human Resources, Frederick Martin. Mr. Martin reports to the Chief Human Resources Officer, who reports to the Executive Vice President for Finance and Administration. As a result, the Provost will have no direct or indirect influence with respect to the residents in question.
