B. THOMAS GOLISANO

Philanthropist

“Children’s health has always been a priority for me, and it’s been deeply rewarding to see how the Golisano Children’s Hospitals are making a profound impact. I am fortunate to be able to help others in this way, and I’m looking forward to seeing what these hospitals can achieve together.”

THE FUTURE OF CHILDREN'S HEALTH IN KENTUCKY

Looking Ahead

Sustain the Future

Endowments provide long-term stability in an environment that is more competitive and challenging than ever.

Keep Kentucky in Kentucky

As our faculty population ages, we must retain and grow the next generation of physicians.

Protect what isn't Guaranteed

Endowments allow us to strengthen essential programs that do not have perpetual or guaranteed funding.

“The children are always ours, every single one of them, all over the globe...”
— James Baldwin
