

ASACR 1

Office of the President
June 30, 2026

Members, Board of Trustees:

CANDIDATES FOR DEGREES: AUGUST 2026

Recommendation: that the President be authorized to confer upon each individual whose name appears on the attached list, the degrees to which they are entitled, contingent upon final certification by the University Registrar. Such certification shall affirm that each candidate has satisfactorily fulfilled all requirements for the respective degree, as approved by the appropriate Colleges and endorsed by the Academic and Student Affairs Committee of the Board of Trustees.

Background: Each individual whose name appears on the attached list is scheduled to complete the work toward the degree for which application is being made at the close of the 2026 Summer Session. Due to licensure or certification requirements for students pursuing job placement or additional education, degrees must be verified as soon as possible. As a result, the University Registrar will certify the satisfactory completion of degree requirements after the Board of Trustees meets. Therefore, the proposed degrees will be conferred following approval by the Board of Trustees, contingent upon the Registrar's final certification that each candidate has successfully met all academic requirements.

This proposed action has the approval of the Colleges. The Provost of the University supports this recommendation.
