Members, Board of Trustees:

DELETION OF DEGREE:
COLLEGE OF ARTS & SCIENCES

Recommendation: that the Board of Trustees approve the suspension of admissions and closure of the Bachelor of Arts and Bachelor of Science in Latin American Studies, within the College of Arts & Sciences, effective in the Fall 2019 semester.

Background: The stand-alone degree in Latin American Studies became the Latin American Studies track within the International Studies degree in 2008. The process to suspend the Latin American Studies degree was begun after that time. However, the College asked to delay suspension until a review of the International Studies Program was completed. Inadvertently, the process to suspend the Latin American Studies degree was not resumed until recently. No students have enrolled in the major since 2008.

As there are currently no students in the major, the deletion of the degree will not affect any faculty, staff, or students.

This proposal has the approval of the College of Arts & Sciences and the University Senate. The Provost of the University supports this recommendation.
