Office of the President
September 16, 2022

Members, Board of Trustees:

ACQUIRE/IMPROVE ELEVATOR SYSTEMS-UKHC
(PARKING STRUCTURE 8) CAPITAL PROJECT

Recommendation: that the Board of Trustees approve the initiation of the Acquire/Improve Elevator Systems-UKHC (Parking Structure 8) capital project.

Parking Structure 8, which is attached to the Chandler Hospital building via a bridge connection, was originally constructed with one shell shaft to add an additional elevator for patient/visitor transport within the structure. Since the building opened UK HealthCare has seen a steady increase in volume at this parking structure which has put a stressor on the existing elevators. This project will outfit the vacant shaft with a new elevator to help with the vertical flow within the garage, thus reducing wait times and help provide coverage when one of the others may be in need of service.

This \$1,500,000 project, authorized by the 2022 Kentucky General Assembly, is well within the total legislative authorization of \$15,000,000 and will be funded with agency funds.

Action taken: Approved Disapproved Other_____
