Members, Board of Trustees:

IMPROVE MEDICAL FACILITY 7 – UK KING’S DAUGHTERS
(OHIO CAMPUS - DESIGN PHASE) CAPITAL PROJECT

Recommendation: that the Board of Trustees approve the initiation of the Improve Medical Facility 7 – UK King’s Daughters (Ohio Campus - Design Phase) capital project.

Background: This project will initiate the design phase of the expansion of the existing UK King’s Daughters Ohio Campus. The project will design an expansion of the existing facility by an additional 12,000 square feet to include space for increased emergency room and urgent care capacity; expansion and improvement of diagnostic testing services; and expansion for additional ambulatory and procedural services. This expansion is needed to provide greater access and efficiency in patient care.

This \$3,000,000 project, authorized by the 2024 Kentucky General Assembly, is well within the total legislative authorization of \$30,000,000 and will be funded with agency funds.
