Members, Board of Trustees:

## CONSTRUCT INDOOR TRACK CAPITAL PROJECT

Recommendation: that the Board of Trustees approve the initiation of the Construct Indoor Track capital project.

Background: Pursuant to Administrative Regulation 8:2, any capital project with an estimated scope of \$1,000,000 or more must be approved by the Board prior to initiation.

This project will construct a new indoor track and field practice facility adjacent to the Outdoor Track and Field Facility and Shively Sports Complex. The proposed facility will provide a dedicated indoor training venue for the University of Kentucky Men's and Women's Track and Field and Cross-Country teams. The facility will primarily serve the Men's and Women's Track and Field programs and will include approximately 2,500 gross square feet of fully conditioned storage space for the UK Band program.

This \$20,000,000 project, authorized by the Kentucky General Assembly, will be funded with private funds.
