(PAVILION H INFUSION CENTER RELOCATION) CAPITAL PROJECT

Recommendation: that the Board of Trustees approve the initiation of the Improve UK HealthCare Facilities – UK Chandler Hospital (Pavilion H Infusion Center Relocation) capital project.

This project is anticipated to include renovations to create up to eleven private and open bay infusion spaces and associated staff support areas for the outpatient infusion program.

This \$2,800,000 project, authorized by the 2022 Kentucky General Assembly, is well within the total legislative authorization of \$310,000,000 and will be funded with agency funds.
