Office of the President

Members, Board of Trustees:

## ACADEMIC YEAR 2023-24 TUITION AND MANDATORY FEES SCHEDULE

Recommendation: that the Board of Trustees approve the attached Academic Year (AY) 2023-24 Tuition and Mandatory Fees Schedule. The recommended tuition and mandatory fees reflect a 2.75 percent increase for most resident students and a 3.5 percent increase for most nonresident students.

Background: Pursuant to KRS 164.020(8), the Council on Postsecondary Education has the statutory authority to determine tuition for Kentucky's public colleges and universities. The Council considers any required fees charged to most students as subject to the statute.

On March 31, 2023, the Council adopted resident undergraduate tuition and mandatory fee ceilings for academic years 2023-24 and 2024-25 with a maximum rate increase of no more than 5.0 percent over the two years and a maximum increase of no more than 3.0 percent in any one year.

The Council also adopted a recommendation that the public institutions be allowed to submit for Council review and approval market competitive tuition and fee rates for graduate and online courses, as well as tuition and fee rates for nonresident undergraduate students that comply with Council policy. The Council's policy states that every institution shall manage its tuition and fee rate structures, price discounting, and scholarship aid for out-of-state students, such that in any given year, the average net tuition and fee revenue generated per nonresident undergraduate student equals or exceeds 130 percent of the annual full-time tuition and fees assessed to resident undergraduate students.

The attached recommended AY 2023-24 schedules reflect tuition and mandatory fee rate increases of 2.75 percent and 3.50 percent for most resident and nonresident students, accordingly. The recommended rates comply with the Council's tuition and mandatory fees ceilings and policy.

The university assesses 18 mandatory fees that support a range of student services such as the Student Government Association, student health and technology. Student mandatory fees are assessed based on the student's full-time or part-time status, program platform (UKCampus or UKOnline) and program level (undergraduate, graduate or professional). Each year, the Student Government Association's Student Fee

Allocation Committee solicits and reviews proposals for changes in mandatory fees. The Committee did not propose any changes to mandatory fees for AY 2023-24.

The recommended tuition and mandatory fees are presented in Attachment I. Mandatory fees are shown separately in Attachment II and reflect no changes from AY 2022-23. The university has submitted the attached rates to the Council on Postsecondary Education for consideration.

The recommended program, course and administrative fees for AY 2023-24 are included in FCR 6 Fiscal Year 2023-24 Operating and Capital Budget.

**Recommended Tuition and Mandatory Fee Rates**  
**NOTES**

<sup>1</sup>**Tuition and Mandatory Fee Rates.** The applicable tuition and mandatory fee rates are determined at the time charges are assessed based on the student's primary academic program, including students concurrently pursuing multiple degrees and/or certificates. Course and program fees are not included in the above rates.

<sup>2</sup>**Undergraduate Tuition.** Undergraduate degree and certificate programs are offered on two platforms – UK Campus and UK Online.

UK Campus. For students enrolled in the UK Campus, tuition and mandatory fees are assessed per credit hour up to 12 hours. Full-time per semester rates (capped rates) are charged to undergraduate students enrolled for 12 or more credit hours. Class section delivery mode (e.g., in-person, fully online, hybrid, etc.) does not impact the assessment rate.

UK Online. Fully online certificate and degree programs (i.e., Internet, web-based) are offered only through UK Online. Undergraduate students enrolled only in a UK Online certificate or degree program are assessed the UK Online rate for all credit hours. There is no full-time tuition cap for UK Online undergraduate certificate and degree programs. The UK Online rate is the same for resident and non-resident undergraduate students.

UK Campus and UK Online. Undergraduate students with a declared primary academic program with the UK Campus may add a UK Online minor and/or certificate at no additional charge.

Undergraduate students with a declared primary academic program within the UK Campus who add a second major offered through UK Online will be assessed the UK Online rate for all online courses in addition to the regular tuition assessment for all other courses.

Students whose only academic program is offered through UK Online will be limited to enrolling in UK Online courses.

<sup>3</sup>**Graduate and Professional Practice Tuition.** Graduate and professional practice doctoral students enrolled for nine or more credit hours are assessed full-time per semester rates. Part-time students are charged on a per credit hour basis.

Students considered full-time for financial aid and reporting purposes, but with less than full-time credit hours, (e.g., graduate students in residency status) are assessed on a per credit hour basis.

Graduate students enrolled exclusively in courses offered through distance learning are assessed tuition using the applicable resident rate, regardless of residency status. Distance learning courses include delivery modes of fully online (i.e., Internet, web-based), hybrid, off-campus, TV, and compressed video.

<sup>4</sup>**Mandatory Fees.** Mandatory fees are assessed based on the student's full-time or part-time status, program platform (UK Campus or UK Online), and program level. Part-time students may pay the Student Health Fee to access University Health Service. Students enrolled in programs within the colleges of Dentistry, Health Sciences, Medicine, Nursing, Pharmacy and Public Health are assessed the Student Health and the Student Wellness mandatory fees regardless of the location of courses. Students enrolled in programs within the College of Medicine are assessed all mandatory fees regardless of the location of the courses.

No refunds for the Student Health fee will be provided to full-time students who change their status to part-time enrollment during an official refund period other than 100 percent. However, these students will maintain access to University Health Service while enrolled during the term. Refunds for the Student Health fee will be processed for students who officially withdraw from the university through the Registrar's Office. Refund amounts will be determined in accordance with the schedule noted on the official University Calendar.

Undergraduate Students. Full-time, undergraduate students enrolled in the UK Campus are assessed a maximum of \$681.50 for mandatory fees per term. Part-time, undergraduate students enrolled in the UK Campus are assessed \$46.50 per credit hour. Pursuant to the Memorandum of Agreement with the Kentucky Community and Technical College System, students enrolled at the Bluegrass Community and Technical College (BCTC) may select and pay for specific services from the list of mandatory fees. However, all mandatory fees will be assessed BCTC students that reside in University of Kentucky student housing.

Part-time, graduate students enrolled in at least one non-distance learning course are assessed \$62.00 per credit hour. Full-time, graduate students enrolled in all distance learning courses are assessed \$135.50 for mandatory fees per term. Part-time, graduate students enrolled in all distance learning courses are assessed \$15.50 per credit hour for mandatory fees. Distance learning courses include delivery modes of fully online (i.e., Internet, web-based), hybrid, off-campus, TV, and compressed video.
