Office of the President

Members, Board of Trustees:

ACADEMIC YEAR 2026-27 TUITION AND MANDATORY FEES SCHEDULE

Recommendation: that the Board of Trustees approve the attached Academic Year (AY) 2026-27 Tuition and Mandatory Fees Schedule. The recommended tuition and mandatory fees reflect a 1.94 percent increase for most resident and nonresident students compared to AY 2025-26.

Background: Pursuant to KRS 164.020(8), the Council on Postsecondary Education has the statutory authority to determine tuition for Kentucky's public colleges and universities. The Council defines a mandatory fee as a distinct charge applied to students as a condition of enrollment, regardless of degree level or program, and is required of such a large proportion of all students that a student who does not pay the fee is an exception. The Council considers mandatory fees as subject to the statute.

On April 17, 2025, the Council adopted resident undergraduate tuition and mandatory fee ceilings for AY 2025-26 and AY 2026-27 with a maximum rate increase of no more than \$675.00, or 5.0 percent, over the two years and a maximum increase of no more than \$450.00, or 3.3 percent, in any one year for UK.

The Council also adopted a recommendation allowing the public institutions to submit for Council review and approval market competitive tuition and fee rates for graduate and online courses, as well as tuition and fee rates for nonresident undergraduate students that comply with the Council's *Tuition and Mandatory Fees Policy*. The Council's policy states that every institution shall manage its tuition and fee rate structures, price discounting, and scholarship aid for out-of-state students such that in any given year the average net tuition and fee revenue generated per nonresident undergraduate student equals or exceeds 130 percent of the annual full-time tuition and fees assessed to resident undergraduate students.

The University's AY 2025-26 tuition and mandatory fees reflected a 3.0 percent increase for most resident and nonresident students compared to the prior year. The recommended AY 2026-27 rates will increase by 1.94 percent for most students, the maximum increase permitted by the Council for resident undergraduate students.

The proposed AY 2026-27 tuition and mandatory fee rates to be assessed to full-time resident undergraduate students total \$7,088.50 per semester, an increase of \$135.00. The recommended AY 2026-27 tuition and mandatory fee rates are presented in

Attachment I. The recommended mandatory fees are also shown separately in Attachment II. All recommended AY 2026-27 rates comply with the Council's tuition and mandatory fees ceiling and policy.

Tuition and mandatory fee rates are assessed based on the student's full-time or part-time status, residency status, program platform (i.e., UK Campus or UK Online), program level (undergraduate, graduate or professional) and primary academic program. The University currently assesses thirteen mandatory fees that support a range of student services such as the Student Government Association, student health and technology.

Each year, the Student Government Association's Student Fee Allocation Committee (SFAC) solicits and reviews proposals for changes in mandatory fees. With the SFAC's endorsement, the Campus Recreation Fee was increased by \$21.00 to \$95.00 per semester, effective Fall 2025, to support the Johnson Center expansion and renovation capital project.

Using a public-private partnership, a capital construction project is underway to renovate and expand the Johnson Center and add 1,200 parking spaces to the Sports Center Garage. The modernized recreational facility will include a multi-purpose activity court; an expanded weightlifting area with an outdoor lifting space; new fitness spaces; outdoor pickleball courts; replacing the 30-foot climbing wall with a 55-foot climbing wall and dedicated bouldering areas; and, a new healthy food option, Shake Smart. The project also includes an overhead pedestrian bridge which will physically connect the garage and the Johnson Center. Construction is expected to be completed by December 2026.

Pursuant to the SFAC's recommendation, the recommended AY 2026-27 rates reflect a \$14.00 increase to the Campus Recreation Fee, from \$95.00 to \$109.00 per semester, to further support the expansion and improvement of the Johnson Center.

If approved by the Board of Trustees, the University will submit the attached rates to the Council on Postsecondary Education for consideration.

**University of Kentucky
Academic Year 2026-27
Preliminary Tuition and Mandatory Fee Rates
NOTES**

¹Tuition and Mandatory Fee Rates. The applicable tuition and mandatory fee rates will be determined at the time charges are assessed based on the student's primary academic program, including students concurrently pursuing multiple degrees and/or certificates. Course, program, enrichment, and administrative or service fees may be assessed in addition to the published tuition and mandatory fee rates, as applicable.

²Undergraduate Tuition. Undergraduate degree and certificate programs are offered on two platforms – UK Campus and UK Online.

UK Campus. For undergraduate students enrolled in the UK Campus, tuition and mandatory fees will be assessed per credit hour up to 12 hours. Full-time per semester rates (capped rates) will be charged to undergraduate students enrolled for 12 or more credit hours. Class section delivery mode (e.g., in-person, fully online, hybrid, etc.) will not impact the assessment rate.

UK Online. Fully online undergraduate certificate and degree programs (i.e., Internet, web-based) are offered only through UK Online. Undergraduate students enrolled only in a UK Online certificate or degree program will be assessed the UK Online rate for each credit hour. There is no full-time tuition cap for UK Online undergraduate certificate and degree programs. The UK Online rate will be the same for resident and non-resident undergraduate students.

UK Campus and UK Online. Full-time undergraduate students with a declared primary academic program offered through UK Campus may add a UK Online minor and/or certificate at no additional charge.

Undergraduate students with a declared primary academic program offered through UK Campus who add a second major offered through UK Online will be assessed the UK Online rate for all online classes in addition to the tuition assessment for all other classes.

Students whose only academic program is offered through UK Online will be limited to enrolling in UK Online classes.

³Graduate and Professional Practice Tuition. Graduate and professional students will be assessed tuition and mandatory fees based on their enrolled program. Tuition and mandatory fees for these programs are classified as per semester rates, annual rates, full program rates, or per credit hour rates.

Unless specifically addressed below, full-time per semester tuition and mandatory fees will be charged to graduate and professional practice doctoral students enrolled for nine or more credit hours. Tuition and mandatory fees will be assessed per credit hour to graduate and professional practice students enrolled for less than nine credit hours.

**University of Kentucky
Academic Year 2026-27
Preliminary Tuition and Mandatory Fee Rates
NOTES**

Students considered full-time for financial aid and reporting purposes, but enrolled for less than nine credit hours, (e.g., graduate students in residency status) will be assessed on a per credit hour basis.

Graduate students enrolled exclusively in classes offered through distance learning will be assessed tuition using the applicable resident rate, regardless of residency status. Distance learning classes include delivery modes such as fully online (i.e., Internet, web-based), hybrid, off-campus, TV, and compressed video.

⁴Mandatory Fees. Mandatory fees will be assessed based on the student's full-time or part-time status, program platform (UK Campus or UK Online), and program level. Full-time students enrolled in at least one non-distance learning class (i.e., on-campus class) will be assessed all mandatory fees. If a student wishes to participate in any activity supported by a mandatory fee that has not been assessed, the student must pay the total mandatory fees for the term, except to access University Health Service. Part-time students may pay the Student Health Fee to access University Health Service.

Students enrolled in programs offered by the colleges of Dentistry, Health Sciences, Nursing, Pharmacy and Public Health will be assessed the rates shown in the tuition and mandatory fee schedule, including the Student Health and Student Wellness mandatory fees where applicable, based on their enrollment status (full-time or part-time), residency status, program platform (UK Campus or UK Online), program level and curriculum load (regular or reduced), regardless of class location or modality. Students enrolled in professional programs offered by the College of Medicine will be assessed all mandatory fees regardless of class locations or modality.

No refunds for the Student Health Fee will be provided to full-time students who change their status to part-time on or after the first day of the semester. However, these students will maintain access to University Health Service while enrolled during the term. Refunds for the Student Health Fee will be processed for students who officially withdraw from the University through the Registrar's Office. Refund amounts will be determined in accordance with the schedule noted on the official University Calendar.

Undergraduate Students. Effective with the Fall 2026 semester, full-time, undergraduate students enrolled in the UK Campus will be assessed a maximum of \$731.50 of mandatory fees per term. Part-time undergraduate students enrolled in the UK Campus will be assessed \$51.00 per credit hour. Undergraduate students enrolled only in UK Online classes will be assessed \$24.00 per credit hour with no full-time cap.

Pursuant to the Memorandum of Agreement with the Kentucky Community and Technical College System, students enrolled at the Bluegrass Community and Technical College (BCTC) may select and pay for specific services from the list of mandatory fees. However,

**University of Kentucky
Academic Year 2026-27
Preliminary Tuition and Mandatory Fee Rates
NOTES**

all mandatory fees will be assessed to BCTC students that reside in University of Kentucky student housing.

Graduate and Professional Students. Graduate and professional students will be assessed tuition and mandatory fees based on program and class modality. The tuition and mandatory fees for these programs are classified as per semester rates, annual rates, full program rates, or per credit hour rates.

Distance learning classes include delivery modes such as fully online (i.e., Internet, web-based), hybrid, off-campus, TV, and compressed video. Unless otherwise stated, effective with the Fall 2026 semester, full-time graduate students enrolled in at least one non-distance learning class will be assessed \$731.50 of mandatory fees per term. Full-time graduate students enrolled in all distance learning classes will be assessed \$282.50 of mandatory fees per term. Part-time graduate students enrolled in at least one non-distance learning course will be assessed \$67.50 per credit hour. Part-time graduate students enrolled in all distance learning classes will be assessed \$32.00 per credit hour of mandatory fees.

Unless otherwise stated, graduate and professional students enrolled in programs which are classified as using Annual Full-Time Rates will be assessed mandatory fees totaling \$1,644.00, effective in July 2026, for the full academic year. This also applies to the one-year Master of Science in Accounting and Master in Business Administration programs that are classified as using Full Program Rates. These mandatory fees will provide year-round access to services provided by University Health Service. For graduate programs which are classified as using Full Program Rates, the rates include tuition and estimated mandatory fees for all terms. The mandatory fee amounts assessed will be based on the actual amounts in effect at the time of assessment and, therefore, the estimated rates shown are subject to change during a student's enrollment.

⁵**Distance Learning Fee.** Graduate and professional students enrolled in classes offered through distance learning such as fully online (i.e., Internet, web-based delivery mode), hybrid, off-campus, TV courses, and compressed video will be assessed a \$10.00 per credit hour Distance Learning Fee in addition to tuition, mandatory fees, and any other course-specific fees.

⁶**Extraordinary Circumstances.** The President, or his delegate, may interpret the application of these rates on an individual student basis in extraordinary circumstances. In periods of public health emergencies or other large-scale disruptions, the President, or his delegate, may also interpret the application of these rates in accordance with the University's response to such disruptions.

⁷**UK College of Engineering Regional Campus Program – Paducah.** Lower-division undergraduate students enrolled in the UK College of Engineering Regional Campus

**University of Kentucky

Preliminary Tuition and Mandatory Fee Rates
NOTES**

Program – Paducah will be assessed tuition and mandatory fees based upon the West Kentucky Community and Technical College's (WKCTC) tuition and fee rates. Once a student has completed all of the prerequisite coursework required for engineering standing, they will be classified as upper-division. Upper-division undergraduate students enrolled in the UK College of Engineering Regional Campus Program – Paducah will be assessed the applicable UK rates. Pursuant to WKCTC's tuition schedule, non-resident undergraduate students from counties in states contiguous to Kentucky and enrolled in this program are eligible for the applicable Kentucky resident rates. For more information, visit: <https://kctcs.edu/affording-college/tuition-costs/contiguous-counties.aspx>.

⁸**BCTCblue+ Program.** Undergraduate students in the BCTCblue+ Program may enroll in up to 12 credit hours (no more than four courses) during the fall and spring semesters at the current Kentucky Community and Technical College System (KCTCS) tuition rate plus the University of Kentucky mandatory fees and any applicable course fees. For more information, visit: <https://admission.uky.edu/transfer/blue-program>.

⁹**Active Military Tuition Rate.** Active U.S. Armed Forces military personnel who are utilizing the Armed Forces Tuition Assistance (TA) program through Title X are eligible for the Active Military Tuition Rate. There is no full-time tuition cap for the Active Military Tuition Rate. The Active Military Tuition Rate is the same for resident and non-resident undergraduate students.

¹⁰**Global ESL Pathway Program.** Students who wish to pursue an undergraduate degree at UK but do not meet the English proficiency for admission are able to enroll in the Global ESL (English as a second language) Pathway Program. Students work towards an undergraduate degree by completing select credit-bearing courses while improving English language competency.

¹¹**UK Next Generation Dual Credit.** The University of Kentucky is a participating institution in the Kentucky Higher Education Assistance Authority (KHEAA) Dual Credit Scholarship Program. Through this program, high school students can enroll in a college class(es) and receive credit from both the high school and UK. Students that attend select network high schools have access to UK Dual Credit courses through the UK Next Generation Scholarship Program. As a participating institution, UK assesses eligible students using the established statewide dual credit tuition rate, which is one-half (50 percent) of the KCTCS hourly tuition rate. In addition, UK will not charge any additional fees to dual credit students such as lab and course fees or admission or application fees.
