Members, Board of Trustees:

NAMING OF HEALTH CARE ADMINISTRATION PROPERTY

Recommendation: that the Board of Trustees approve the naming of the health care administrative properties on the corner of Waller Avenue and Nicholasville Road, formerly the University Inn, as the “Waller Health Care Annex.”

Background: This recommendation is from the Executive Vice President for Health Affairs. UK HealthCare acquired the property in 2016, previously the University Inn, and proposes to rename the location to better reflect its purpose of health care administrative functions. The building will initially be occupied by learning centers, nurse recruitment and training, credentialing and provider enrollment, and other administrative departments.

The Advisory Committee on Naming University Property has reviewed these requests and found them to be in compliance with Administrative Regulation 9:5 and recommends approval of this name designations.
