Certification Requirements for Integrated Success Coaches

- Integrated success coaches engage in **ongoing weekly training**
 - Between 60-125 accredited training hours
 - 100-500 coaching hours
 - 10 hours of mentored coaching
- Will pass the **Coach Competency Exam**
- Will provide recorded hours and videos for review by a professional board
- Will become certified coaches by the **International Coach Federation**

Training for Integrated Success Coach Advocates

- 3-hour **synchronous online training session**
- Supportive community through creating a **coaching culture**
- Establishing a common **coaching language** in your daily work
- Professional development and skill building

Integrated Success Coaching Next Steps

- Certify pilot coaches in May and hire additional coaches
- Engage in strategic outreach beyond the Office for Student Success and expand Integrated Success Coach Advocate Training
- Embed integrated success coaching principles in first-year programs (*i.e.*, 3:1 supports, value of coaching)
