UK to feature 'AI in Action' at Feb. 26 event

By Dave Melanson Wednesday

UK x Microsoft: CATS AI in Action is free and open to all faculty, staff and students as well as community members.

LEXINGTON, Ky. (Feb. 11, 2026) — Artificial intelligence (AI) programs, partnerships and possibilities will take center stage during a campus AI showcase on Thursday, Feb. 26. The event — UK x Microsoft: CATS AI in Action — is free and open to all faculty, staff and students as well as community members. It will feature officials from both Microsoft and the University of Kentucky in a day of exploration and discovery at the Gatton Student Center.
