Structure of Tableau

The screenshot displays the Tableau interface for the University of Kentucky. The top navigation bar includes the University of Kentucky logo, a search bar, and the user name 'Conner Whitney'. Below the navigation bar, there are tabs for 'Projects 182', 'Workbooks 2,645', 'Views 11,708', and 'Data Sources 65'. The 'Views' tab is selected, and a callout bubble points to it with the text: 'Views are like a single sheet in a workbook' and 'Like a sheet in Excel'. The main content area shows a list of views with columns for Name, Views: All, Workbook, Sheet, Project, Owner, and Modified. The list includes various views such as 'About & Filters', 'HANA Code Book', 'Employment Verification L...', 'Work Orders Dashboard', 'Single Course Enrollment H...', 'List of Fields', 'Specializations Headcount', 'Recruiter Dashboard', 'Advisees', 'Contents - Award Reports', 'College Award Summary', 'Registered and Non-Registered List', 'Student Count', 'Course Cap Reached', 'Daily Report', 'Specializations Headcount - Students', 'Section Cap Reached', 'Institutional Retention and Graduation Rates', '2nd Fall Overall', and 'VOE without Salary'. The 'Views: All' column shows the number of views for each, ranging from 936 to 2,210. The 'Workbook' column shows the workbook name, and the 'Sheet' column shows the sheet number. The 'Project' column shows the project name, and the 'Owner' column shows the owner's name. The 'Modified' column shows the date and time the view was last modified.

Finding the Travel Expense Report

- Search any of the following
- Project: Travel
- Workbooks: Travel Expense Reports
- Tags: Travel

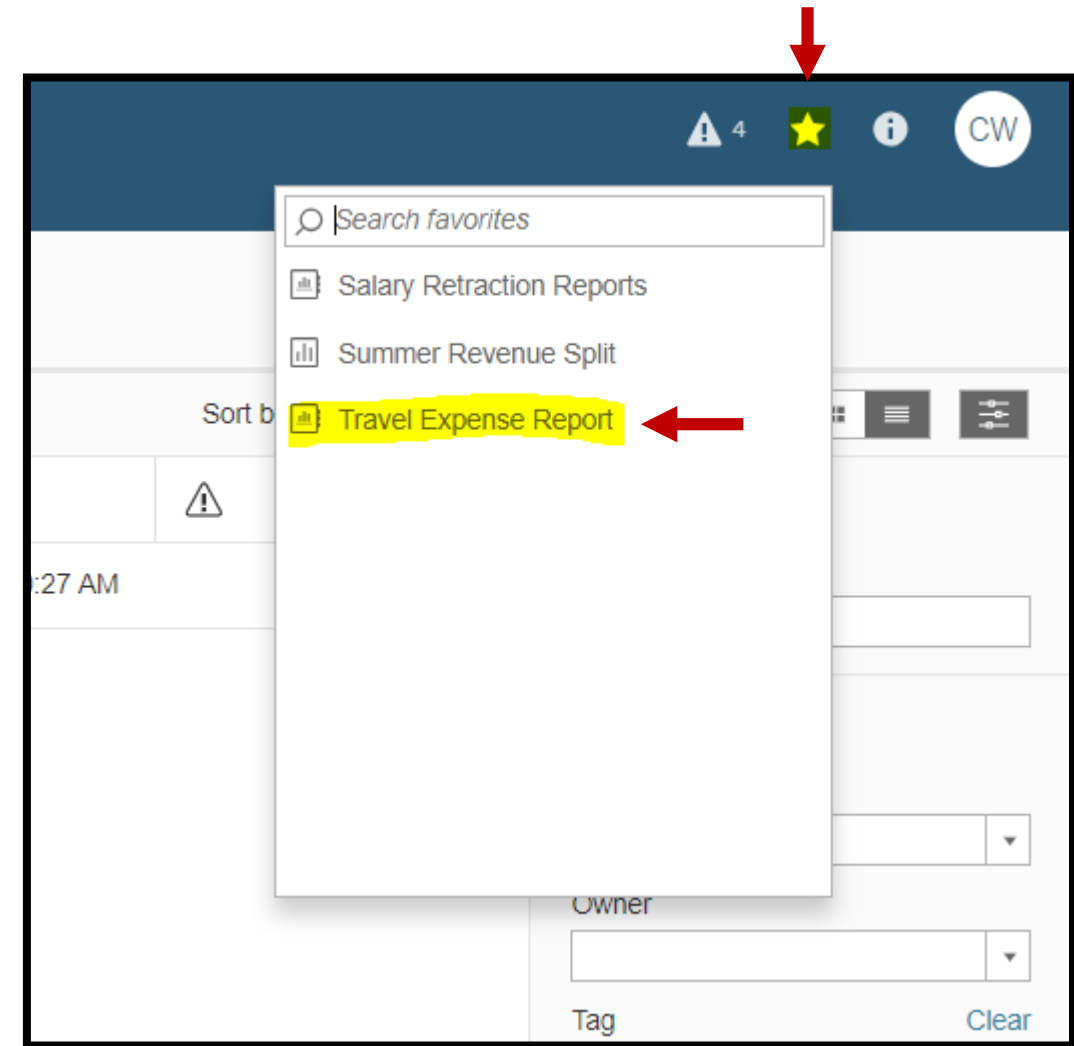

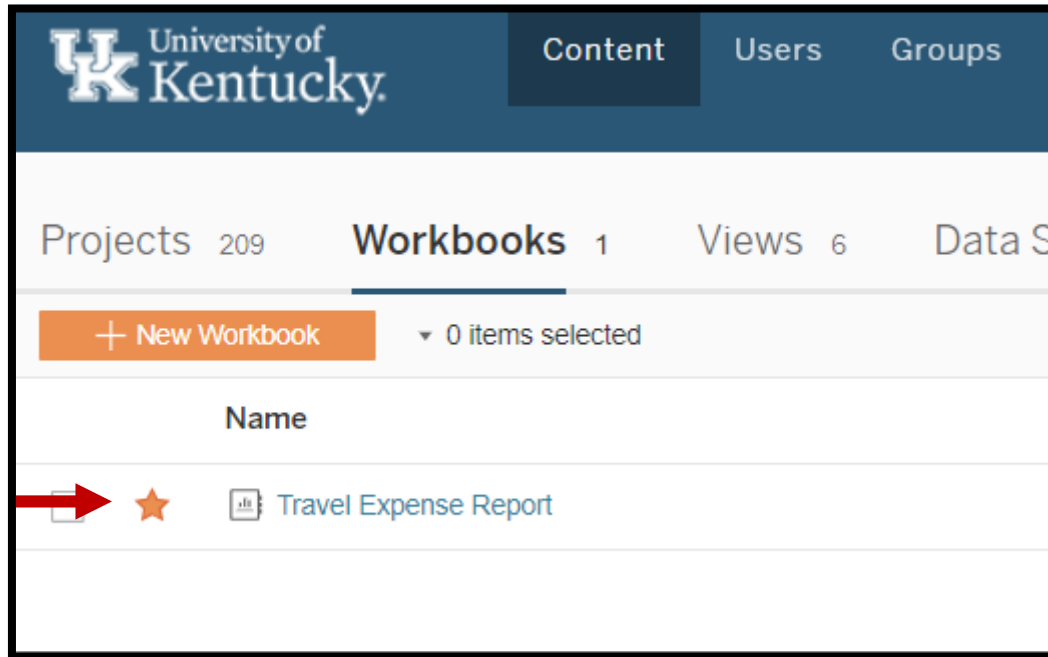

The screenshot displays the University of Kentucky system interface. The top navigation bar includes the University of Kentucky logo, a search icon, and user information (CW). The main content area shows a list of projects, with the 'Projects' tab highlighted. A search filter is applied to the list, showing a search bar with the text 'Travel' and a red arrow pointing to it. The table below the search bar shows the following data:

Name	Projects	Workbooks	Views	Data Sources
Travel	0	1	6	0

The interface also includes a sidebar with filters and advanced search options. A red arrow points to the search bar in the sidebar, and another red arrow points to the 'Projects' tab in the top navigation bar.

Favorite the Workbook

- Favorite a workbook for quick access by clicking the star to the left

Navigating the Report

The screenshot shows the University of Kentucky Travel Expense Report interface. The top navigation bar includes 'Content', 'Users', 'Groups', 'Schedules', 'Tasks', and 'Status'. The breadcrumb trail is 'Home > Travel > Travel Expense Report > Start Page - HR'. The main content area displays 'Total Trips (by HR)*' as 55,602. Below this are several filter sections: 'HR Department Prefix', 'Personnel Number', 'Trip Begin Date' (with a date range from 12/16/2015 to 2/1/2217), 'GL Account', 'HR Department Code', 'Traveler Name', 'Trip End Date' (with a date range from 12/7/2015 to 5/20/2217), 'Country Code', 'HR Department', 'Trip Number', and 'Earliest Posting Date' (with a date range from 8/22/2016 to 10/26/2018). A 'Trip Status' dropdown menu is open, showing options: (All), CANCELED, COMPLETED (checked), DRAFT, OPEN, and POSTED (checked). The 'Apply' button is visible at the bottom of the dropdown. Four numbered callouts are present: 1 points to the 'Start Page - HR' tab; 2 points to the 'Trip Status' dropdown; 3 points to the 'Trip End Date' slider; and 4 points to the 'Start Page - FI' tab.

Saving Time

- Pause when setting lots of filters
- Similar to Excel's "Manual Calculations"
- Click **Pause** > Set Filters > Click **Resume** again to refresh the data

- Create a custom view
- Set your commonly used filter settings on the Start Page
- Go to View (top right)
- Enter a name and choose whether to make it your default

Download to Excel

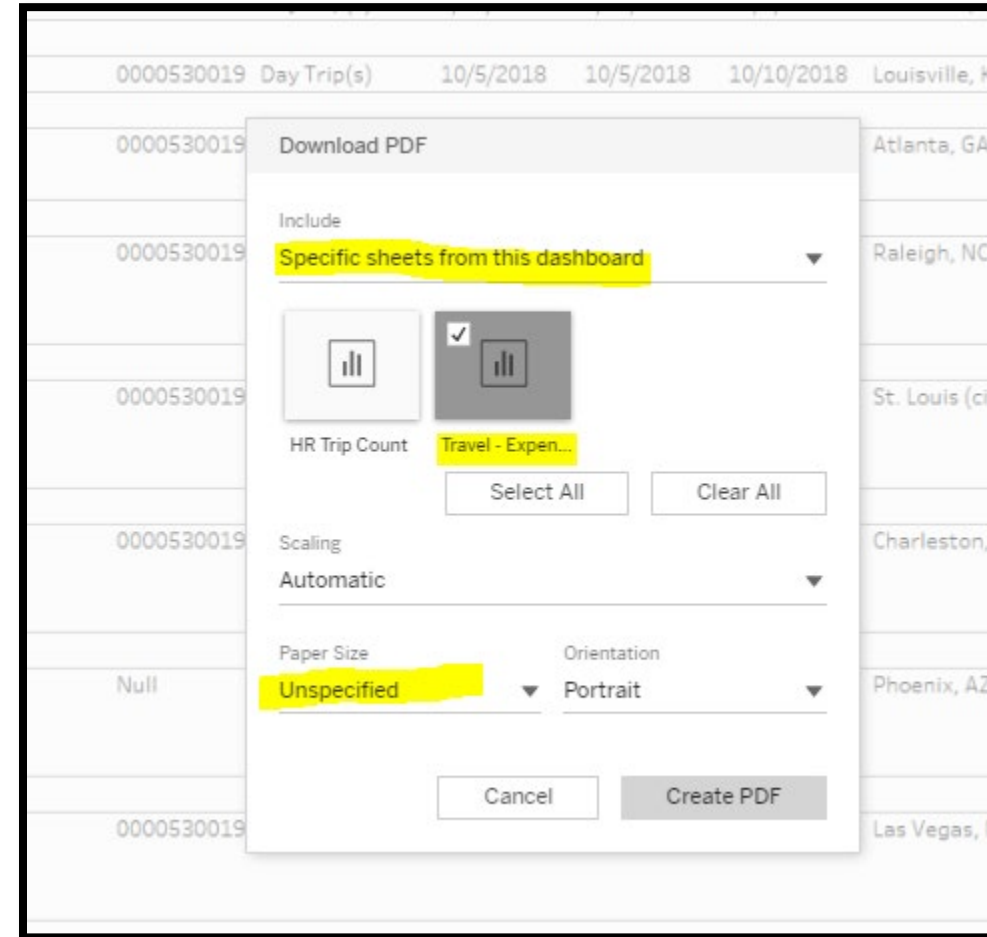

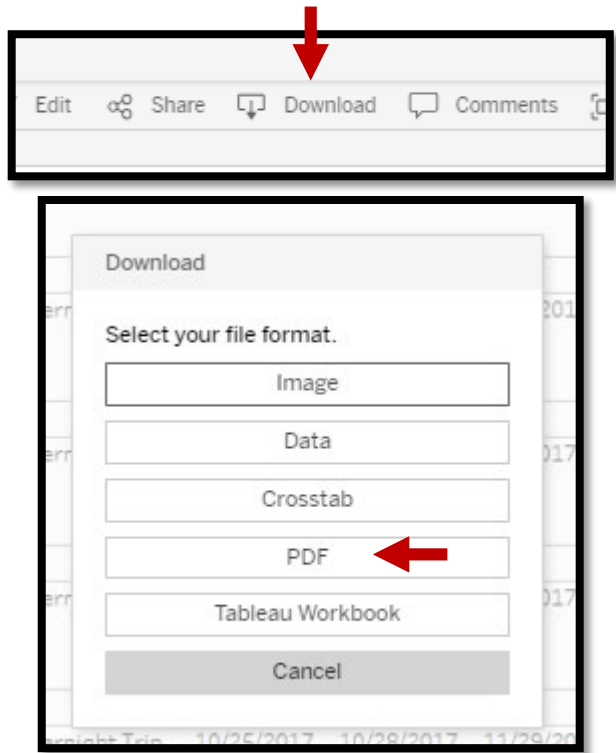

- Download > Crosstab. If Crosstab is grayed out, click inside the data table. Then go to Download and Crosstab should be an option
- Note that Subtotal rows are included. Filter them out if not needed.
