Procurement Services makes a determination on how to contract for the required services.

Generally, contracting occurs as follows:

A. Contracts with a total dollar scope of $10,000 or less during any one fiscal year are completed on the Personal Service Contract (10,000 or less) form and reported to GCRC by Procurement Services prior to effective date. See B-4-1 Procedures for Personal Service Contracts $10,000 or Less.

B. Contracts exceeding $10,000 are contracted using the Standard Contract for Personal Services document, following a competitive solicitation through the issuance of a Request for Proposal (RFP). See B-4-2 Procedures for Personal Services Exceeding $10,000.

C. The Personal Services Contract Proof of Necessity form must be completed by the requesting department. All contracts must be processed by the GCRC prior to their effective date.
