

Sales and Use Tax

I. Purpose

To provide guidance and procedural guidelines for the collection of sales and use tax (sales tax) in accordance with [KRS139.495](#) that requires any higher education institution engaged in making taxable sales to hold a sales tax permit and to report and pay to the Kentucky Department of Revenue the tax on such sales.

II. Definitions and examples

A. Course materials

1. Only those items specifically required of all students for a particular course.
2. Does not include athletic equipment or wearing apparel purchased by students, teachers or coaches for personal use outside the educational function, notebooks, paper, pencils, calculators, tape recorders or similar student aids.
3. Certain necessary course materials and supplies not previously classified as essential or specifically excluded by law such as tape recorders, calculators or similar student aids will be classified as essential if the instructor of the course certifies to the bookstore by letter that the material is required of all students in the class for that particular term.
4. Certification by the instructor is only for one term and must be resubmitted for use in a subsequent term.

B. Taxable sales – examples
