

Interim General Education Oversight Committee Tentative Agenda for March 04, 2011

Room 228, Student Center, 11 a.m. – 12 noon.

1. Approval of the minutes from Feb. 4th and Feb. 18th
2. Brief discussion concerning MA Quantitative Foundations credit and ACT/SAT scores (Mike S. and David R.). Background: IGEOC asked Rayens to see if MA wanted to reconsider their policy of not giving Gen Ed credit for ACT/SAT performance. David Royster and Mike Shanks have a reply to the IGEOC question.
3. Discussion and potential vote on GLY 185 (Inq Sci), JPN 351 (Global), HIS 202 (Global), HIS 203 (Global)
4. IGEOC appointed subcommittees for developing rubrics for CCII, Global, and Citizenship; up to GEOC but subcommittee of 3-5 sounds about right. IGEOC needs to decide on who to ask to serve on these subcommittees and if corresponding Area Experts should be committee members.
 - a) Names suggested for CCII are Amy Gaffney, Jason Helms, and Amanda Moulder
 - b) Names suggested for Global are: Erik Myrup, Rebecca McCulley, Erin Koch, Julia McDonald, Diane King, and Tammy Whitlock
 - c) Names suggested for U.S. Citizenship are: Clayton Thyne, Rick Waterman, Dwight Billings, Shaunna Scott, Karl Raitz, and Anna Brzyski
5. Brief discussion of GEOC's role in the larger assessment plan for the University; in particular, how GEOC sees itself in step with the new Senate subcommittee on assessment and Associate Provost Anderson's committee on assessment.

Next meeting is not scheduled until April 1st. Do you want to meet on March 25th instead?
