4 Councils use this space to indicate approval of revisions made subsequent to that council’s approval, if deemed necessary by the revising council.
Dear Sally Shepley,

Thank you for your email regarding the proposed program change(s) to Applied Behavior Analysis, Master's (42.2814).

My email will serve 2 purposes: 1.) Next steps for SACSCOC, and 2.) Verification and notification that you have contacted OSPIE—a Senate requirement for proposal approval.

1. **Next steps for SACSCOC:** None required

2. **Verification that OSPIE has reviewed the proposal:** Based on the proposal documentation presented and Substantive Change Checklist, the proposed program changes (refer to list below) are not substantive changes as defined by the University or SACSCOC, the university's regional accreditor. Therefore, no additional information is required by the Office of Strategic Planning & Institutional Effectiveness at this time. The proposed program change(s) may move forward in accordance with college and university-level approval processes.

**Description of Proposed Change(s):**

- Currently, students in this program take 3 separate 1-hour ethics courses (EDS 614, 615, 616). We are proposing to change this to a single 3-hour course (EDS 617).

Should you have questions or concerns about UK’s substantive change policy and its procedures, please do not hesitate contacting our office.

  o Shepley motion
  o Lane second
  o All in favor- carries unanimously

• Agenda items e-mailed prior to meeting for review
  o Program Faculty Chair Meeting Update (Ackerman/Lee)
    ▪ 4/9/19 – AAQEP presentation
    ▪ 4/23/19 – continued discussion about continuing with CAEP or moving over to AAQEP
    ▪ There is a discussion at the college level of moving from CAEP accreditation to AAQEP. The SPED program was asked if they preferred 1) to only go with state approval (EPSB); 2) continue with EPSB and CAEP; or 3) continue with EPSB and CAEP but move over to AAQEP. Those consulted agreed that our order of preference would be 2, 3, then 1... we want more than state approval, but AAQEP is still in the pilot phase
  o Students of concern (update)
    ▪ ReSt – she has contacted the registrar about appealing our decision; Christopher Reese is not sure why she contacted the registrar, but he sent them her dismissal letter. I inquired about the timeline provided in the letter regarding her window of appeal. There was no time limit set; this is something 166 is looking into for future Retention letters.

• New Business

      • Can decide to reappoint to someone else
    ▪ Jeri Custodero – Appointment Extension
      • Her appointment ends in December; per Dean’s office- they can extend for 6 months and then go through a review process to be reappointed; the preference of the Dean’s office is to put on a schedule that matches most faculty (May review)

May 07, 2019, 12:30 – 2 pm
222 Taylor Education Building

Call to Order:

Department Chair Ralph Crystal called the meeting to order at 12:30 pm

Present:

Approval of minutes:

Dr. Sally Shepley moved to approve the minutes from April 02, 2019. Dr. Amy Spriggs seconded – the question was called, and the vote taken was unanimous.

Announcements:

Ralph Crystal reviewed the following announcements:

With the end of the current academic year plans are being made for the coming academic year. Here are initial dates I recently received and forwarded several weeks ago:

The Council of Chairs are meeting in the morning on Friday August 16th. This will be followed by a lunch with the Council of Chairs and new College of Education faculty.

The University New Faculty Orientation will be conducted on Monday August 19 at the Gatton Student Center

We will have a department meeting on Tuesday August 20 between 9 am and about 11:30. This will be followed by a lunch. In the afternoon on Tuesday the 20th the College of Education will hold a retreat probably starting around 12:30 or 1 pm. At this time, it is uncertain if the College will be providing lunch. If they do not the department will provide lunch.

It is my understanding that the College retreat will be held in Dickey and Taylor. Our department meeting on the 20th will be held in our suite of rooms. At this time my thinking is to conduct a full department meeting between 9 and about 10 followed by program meetings between 10 and 11:30.

I will provide additional information as it is received. Thanks.

Dr. Melinda Ault will resume her responsibilities as Director of Graduate Studies for the IECE and EDS programs on Monday May 06, 2019.

Other Announcements:
Dr. Rogers updated on the deadline to get items into Courses & Curricula. Dr. Rogers indicated that starting in the Fall 2019 semester this committee will meet the first Wednesday of each month.

Dr. Katherine McCormick said the new Library Dean is being announced.

**Great News! Congratulations to our Students, Staff, and Faculty!!**

Congratulations to new Associate Professor Justin Lane for achieving promotion with tenure! Thanks also goes to Dr. Lane’s mentor Dr. Allan Allday for his guidance and advice with the promotion and tenure process.

Professor Bottge received the following note from his IES AIMS Project Officer:

April is #MathAwarenessMonth. IES will be recognizing the work of your project and the video in a Tweet and a Facebook post that will be released on Monday. If you and/or anyone on your project use Twitter or Facebook, please encourage them to like and share the post to spread the word. I will do the same.

Dr. Maxwell discussed how she developed and received approval for our new Undergraduate Rehabilitation Program in Disability Studies, which will begin Fall 2019. The first classes will be offered in Spring 2020. This was created in various phases which required meetings, collaborations, planning, and course development. **Chair’s Report**

Marcia Bowling has agreed to return on a part-time basis to handle the department fiscal work as well as training when the new Administrative Services Assistant Senior person is appointed. Dr. Crystal asked faculty to send Marcia items for purchase so that she can see about getting things ordered prior to the end of the fiscal year. He thanked the search committee for their work with interviewing candidates.

Dr. Crystal said that he and Dr. Bausch participated interviewing for the Philanthropy position for the college. We are hoping to have a person who can focus on donations and fundraising efforts. Dr. Grisham said she is on that search committee and they emphasized to applicants supporting faculty through fund raising.

**Department Items – Old Business**

**Department Items – New Business**

1. The use of EDS 558 by non-EDS programs was discussed. Dr. Spriggs stated that in going through Fall schedule she found a 558 EDS course that isn’t Special Ed. She emailed Dr. Kenneth Tyler after she saw a class that seems to be dedicated to EDP students. He has not replied. Dr. Bausch said we had approved them to do this – she found that in Fall 2017 we agreed to do this.

Dr. Spriggs will email Dr. Tyler and say we realized this was approved in Fall 2017, but we will revisit this. Dr. Harley asked if it was restricted to only EDP students. Dr. Bausch said she didn’t think there was a restricted course.

2. Dr. Rogers updated on renaming the Graduate Program in Rehabilitation to the Graduate Program in Counselor Education.

3. Dr. Allday provided an update on changing EDS 614 from EDS 614 to EDS 617. He said that we would like to only change course, not the syllabus. Instead of 3, 1 credit hours courses it will be a 3-hour credit class. New Course - Professional Ethics for Behavioral Analysts.
