If YES, list the colleges/units involved:
If YES, what provision has been made for meeting the needs of these students?
Is this course currently included in the UK Core Program?  ○ Yes  ○ No

1 The effective data for a dropped course is the first term when the course is not available, NOT the last term the course is offered.
2 Effective dates are typically the semester following approval. No course will be made effective until all approvals are received.
3 Signature of the chair of the cross-listing department is required on the Signature Routing Log.
4 In order to change a program, a program change form must also be submitted.
