

## List of Individuals Eligible to Nominate in the 2019 Faculty Trustee Election

To nominate in a Faculty Trustee election, you must be a faculty employee as defined by Human Resources Policy & Procedure Administrative Regulation #4 ([HRPP AR 4.0](#)). Such faculty employees may be on phased retirement, may have regular, temporary, or part-time employment, or may be in administrative positions at or above the level of department chair, including appointments as directors of multidisciplinary research center or equivalent educational units ([GR VII.B.1](#); [GR VII.C.1 and 5](#)).

Listed below are individuals who have been certified by the Senate Rules and Elections Committee (SREC) to **nominate** candidates in the 2019 Faculty Trustee Election. The SREC determined eligibility based on information in the UK Effort Planning System (EPS) database on March 5, 2019, as announced in the SREC's February 15, 2019 email to all faculty ([view email](#)). If you believe an error has occurred, please follow the "Procedures for Disputing Election Eligibility" posted on the Senate Council trustee election [webpage](#).
