PLEASE NOTE: To ensure that a series of changes to an existing degree program does not essentially create a new program, the Southern Association for the Accreditation of Colleges and Schools (SACS) requires submission of its Substantive Change Checklist for every program change. Prior to college-level review, you must fill out and submit the SACS Substantive Change Checklist to the Office of Institutional Effectiveness. Contact Institutional Effectiveness (OSPIE@uky.edu) for assistance.

Once approved at the college level, your college will send the proposal to the appropriate Senate academic council (HCCC and/or UC) for review and approval. Once approved at the academic council level, the academic council will send your proposal to the Senate Council office for additional review and then a 10-day posting online, during which senators review on their own and have an option to register an objection if they so desire. If no objection is raised to the Senate Council Office within ten days of the posting the proposal, then the program change is approved. The Senate Council Office will report approvals to the Provost, Registrar and other appropriate entities, including the contact person.

For every proposed change, you MUST also include the existing requirement.

1. General Information

1a Date of contact with Institutional Effectiveness (IE): 8.20.19

[ ] Appended to the end of this form is a PDF of the reply from Institutional Effectiveness.

1b College: College of Education

Department: EDSRC

1c CIP code: 13.1210

Today’s Date: 8.20.19

1d Current major name: Interdisciplinary Early Childhood Education

Proposed major name: n/a

1e Current Degree (BA, BFA, etc.): BSEDU

Proposed degree: n/a

1f Will there be any changes regarding a track(s) for the program? Yes [ ] No [x]

1g Accrediting agency, if applicable: CAEP

1h Date of most recent periodic program review for this degree: 2014

1i Requested effective date: [ ] Fall semester following approval.

OR [x] Specific Date: Fall 2020

---

1 Prior to college-level review, you must fill out and submit the SACS Substantive Change Checklist to the Office of Institutional Effectiveness. You can reach Institutional Effectiveness by phone or email (257-1962 or OSPIE@uky.edu).

2 It is not possible to change the home academic unit of a degree program via this form. To change the home unit, visit https://www.uky.edu/universitysenate/forms and look for the heading, “Forms Related to Academic Organizational Structure.”

3 The CIP code is provided by Institutional Effectiveness. If a different CIP code is necessary, the program may undergo a review similar to the new program approval process.

4 No program change(s) will be effective until all approvals are received.
2a. Describe the rationale for the changes, including results from the most recent program review if applicable. (450 word limit)

We are requesting that IEC 552 - Administration and Supervision in Interdisciplinary Early Childhood Education be changed to a Teacher Education Program (TEP) restricted course; meaning that students must be admitted into TEP before taking the course. We are also requesting that IEC 512 - Language and Literacy for Young Children be changed from a TEP restricted course to a non-TEP restricted course; meaning that students are not required to be admitted into TEP prior to taking this course. These changes are requested to improve the scope and sequence of the IEC curriculum. For example, students should not learn about managing and supervising within an early childhood educational center (as is taught within IEC 552) prior to having sufficient knowledge and experience in early childhood education (as is provided in IEC 512).

2b. Use the fields below, as applicable, to identify the areas in which changes will be made.

TOTAL CREDIT HOURS REQUIRED FOR GRADUATION: 

xv. If the total hours required for graduation have changed, explain below. (150 word limit)

Total hours for graduation have not changed for any of the above.

2c. Will the requested change(s) result in the use of courses from another educational unit? Yes [ ] No [x]

If “Yes,” describe generally the courses and how they will be used.

n/a

If “Yes,” two pieces of supporting documentation are required.
Check to confirm that appended to the end of this form is a letter of support from the appropriate chair/director of each unit from which individual courses will be used.

Check to confirm that appended to the end of this form is verification that the chair/director of each affected unit has consent from the faculty members of the unit. This typically takes the form of meeting minutes.

2d Will the proposed change(s) affect an associated minor? [Yes ❏ No ❏]

If “Yes,” the department must also submit a change form to change the minor.

3. UK Core Courses

3a Are there any proposed changes to the UK Core requirements for the program? [Yes ❏ No ❏]

If “Yes,” note the specific changes in the grid below.

Requirements for Program

Early Childhood Education is an interdisciplinary program which will prepare educators to work with children birth through age five, in public pre-primary classes and non-public institutions including day care, private preschool, and private kindergarten. The program is approved by the Kentucky Education Professional Standards Board to prepare graduates to seek a state teaching certificate in Interdisciplinary Early Childhood Education.

The faculty of the Interdisciplinary Early Childhood Education program are associated with the Department of Early Childhood, Special Education, and Rehabilitation Counseling. The faculty believe that teaching young children involves viewing children holistically, using structured behavioral approaches. They recognize that viewing children holistically requires considering all of the various settings of children’s environment (e.g., home, school, and neighborhood) as well as the reciprocal relationship between any two of the following variables: the immediate context the child is active in, the individual child, and all aspects of the child’s environment (including people). In the Interdisciplinary Early Childhood Education program, students will learn to apply behavioral principles for purposes of developing curricula, assessing child behavior, planning, implementing, and monitoring interventions, and assisting families. The program is guided by the standards of the National Association for the Education of Young Children, and the Division of Early Childhood of the Council For Exceptional Children.

To receive the B.S. degree in Education with a major in Interdisciplinary Early Childhood Education, students must: (1) complete the UK Core requirements; (2) complete the premajor requirements; and (3) complete requirements for the Interdisciplinary Early Childhood Education major, including required student teaching experiences and other practica. To be state-certified, candidates must also successfully complete all state-mandated testing requirements.

Continuous Assessment

1. All students in the interdisciplinary early childhood education program are expected to meet the standards and rules for Admission, Retention, and Exit from Teacher Education Programs as set forth in the section “Admission, Retention and Completion from Teacher Education Programs”.

2. Assessment at the Point of Entry to the IECF Program. The admission process provides the first point for formal assessment of the competencies outlined in the Initial Certification Program Folio for the program. Students who apply for admission must (a) meet the requirements for admission to the Teacher Education Program, and (b) be able to articulate their philosophy of teaching and document their experiences with young children in an initial portfolio and an entrance interview.

3. On-going Assessment. Once a student is admitted to the program, he/she meets with an advisor to plan the remainder of the program. Prior to the student teaching semester, the student must present a portfolio that documents his/her progress toward meeting program competencies.

4. Completion Assessment. At the exit assessment, students must document that they have met all program competencies through a final review of their portfolio and the successful completion of student teaching in an appropriate school placement for young children with and without disabilities.

Statement on Student Teaching

Student teaching in the Interdisciplinary Early Childhood Education program is 16-18 weeks. Students will enroll in:

IEC 411 Student Teaching in Interdisciplinary Early Childhood Education ........................................ 12

Degree Requirements

Students in Interdisciplinary Early Childhood Education must complete the following:

1. Complete the UK Core requirements.
2. Complete all degree requirements.
3. Complete the required curriculum in the major program.
4. All students majoring in Interdisciplinary Early Childhood Education must apply and be admitted to the professional Teacher Education Program in order to complete the program.

UK Core Requirements

See the UK Core section of this Bulletin for the complete UK Core requirements. The courses listed below are (a) recommended by the college, or (b) required courses that also fulfill UK Core areas. Students should work closely with their advisor to complete the UK Core requirements.

Subtotal: Premajor hours ................................................. 23

All students in Interdisciplinary Early Childhood Education must apply, and be admitted to, and be retained in a Teacher Education Program (TEP), and complete a state approved university teacher training program in Early Childhood Education to be able to apply for certification. Students who are interested in certification in Early Childhood Education need to meet with a certification officer in the College of Education prior to completing 60 semester hours to discuss state certification and TEP requirements. A minimum 2.75 cumulative GPA is required to be eligible to apply for admission to TEP. TEP applications will be reviewed for students who have completed, or will complete during the semester in which they apply, 60 semester hours, including EDP 202, EDS 375, IEC 255, and IEC 256 with a grade of C or better.

EDS 375 Introduction to Education of Exceptional Children ........................................ 3

IEC 512 Language and Literacy for Young Children ....... 3
Continuous Assessment

1. All students in the kinesiology program are expected to meet the standards and rules for Admission, Retention, and Exit from Teacher Education Programs as set forth in the section “Admission, Retention and Completion from Teacher Education Programs”.

2. The kinesiology program stimulates higher performance goals for high-performing students by offering several modes of performance. Examples are: (a) skills in performing physical activities; (b) skills in writing and oral presentations in theory courses; (c) computer technological skills in some courses; and (d) leadership skills demonstrated by high-performing students who serve as class leaders, peer tutors, and/or assistant instructors.

3. After admittance to the program, students not only must maintain a 2.75 cumulative GPA, they must continue to exhibit desirable professional characteristics to remain in the program. Students who demonstrate a lack of commitment, effort, professional behavior, knowledge, or teaching skills may be removed from the program until these characteristics are demonstrated.

Statement on Student Teaching

Students who are majoring only in kinesiology will enroll in:

- KHP 369 Student Teaching in Physical Education ..... 12
- KHP 371 Student Teaching in Health Education ..... 6

Students who are completing a major in both kinesiology and health promotion will enroll in:

- KHP 369 Student Teaching in Physical Education ..... 6
- KHP 371 Student Teaching in Health Education ..... 6

In this situation, student teaching time will be divided between the high school, middle school, and elementary grades, with student teaching supervision occurring cooperatively between the kinesiology and health promotion faculty.

UK Core Requirements

See the UK Core section of this Bulletin for the complete UK Core requirements. The courses listed below are (a) recommended by the college, or (b) required courses that also fulfill UK Core areas. Students should work closely with their advisor to complete the UK Core requirements.

Majors and Minors (51-63 hours)

Plan 1
Kinesiology major (33 hours) and Health Promotion major (30 hours)

Plan 2
Kinesiology major (33 hours) and one or more university-approved minors (18-21 hours). Note: University-approved minors outside of the College of Education must be planned with an advisor in the appropriate college if the student wishes to have the minor appear on his/her transcript.
Dear Collin Shepley,

Thank you for your email regarding the proposed program change(s) to Interdisciplinary Early Childhood Education, Bachelor's (13.1210).

My email will serve 2 purposes: 1.) Next steps for SACCOC, and 2.) Verification and notification that you have contacted OSPIE—a Senate requirement for proposal approval.

1. **Next steps for SACCOC:** None required
2. **Verification that OSPIE has reviewed the proposal:** Based on the proposal documentation presented and Substantive Change Checklist, the proposed program changes (refer to list below) are not substantive changes as defined by the University or SACCOC, the university's regional accreditor. Therefore, no additional information is required by the Office of Strategic Planning & Institutional Effectiveness at this time. The proposed program change(s) may move forward in accordance with college and university-level approval processes.

**Description of Proposed Change(s):**

- We are requesting that IEC 552 - Administration and Supervision in Early Childhood Education be changed to a Teacher Education Program (TEP) restricted course; meaning that students must be admitted into TEP before taking the course. We are also requesting that IEC 512 - Language and Literacy be changed from a TEP restricted course to a non-TEP restricted course; meaning that students are not required to be admitted into TEP prior to taking this course. These changes are requested to improve the scope and sequence of the IEC curriculum. For example, students should not learn about managing and supervising within an early childhood educational center prior to having sufficient knowledge and experience in early childhood education.

Should you have questions or concerns about UK’s substantive change policy and its procedures, please do not hesitate contacting our office.

Office of Strategic Planning & Institutional Effectiveness  
University of Kentucky  
EDSRC Faculty Meeting Minutes
August 20, 2019, 9 – 10:00 am
222 Taylor Education Building

Continental Breakfast: 8:30 to 9 am

Call to Order

Ralph M. Crystal, Chair
-Dr. Crystal welcomed everyone to the meeting. Thank you for coming today. We plan on ending this meeting by 10 in order to move on to our Program Meetings.

-Dr. Crystal introduced Aimee Baston who is our new college philanthropy specialist. Amy commented that her job is to help us in locating funding from private donors whether its alumni, businesses, etc. She added that if you have someone who might want to help support this department please let her know. She will contact them for a meeting and invite you to be involved as well. By the same token, if she finds someone who is interested in offering funding, she will reach out to us. We are important to the donor process for many reasons such as sharing our vision and showing the love of what we do to motivate potential donors. She is located in Dickey Hall.

Approval of minutes:

May 07, 2019

-S. Shepley made a motion to accept the previous minutes. Ault seconded the motion and the vote taken was unanimous.

-One brief note – Dr. Crystal has asked Hollie and Denise to assist with taking minutes. Hollie shared that she is using a voice recorder as well. Dr. Bausch asked if we could turn off the recorder when we are speaking off the record. Hollie agreed.

Announcements:

Welcome and Introduction of New EDSRC Faculty:

Dr. Justin Kaiser, Clinical Assistant Professor with the VI O&M Program
Great News! Congratulations to our Students, Staff, and Faculty!!

Congratulations to Professor Brian Bottge who received notification that his request for funding during the one-year extension of the AIMS project. This will enable project staff to complete writing projects related to the research that was conducted and prepare for continuation of project activities through replication studies.

Dr. Bottge attached screen shots (see attached) of the RFA description of the new IES Replication Grants. As you can see, our work with EAI is one of four exemplary programs in special education math that is eligible for replicating. The URL for the complete description of the grant competition is: https://ies.ed.gov/funding/ncer_rfas/systematic_replications.asp

The grants awarded will be large, up to total $4,000,000 for a 4-year award.

Congratulations to Dr. Allison Levine for receiving a Research and Creativity Award!

And to Dr. Levine for receiving an SEC Travel Grant Award which is for research with a colleague at Auburn University.

Dr. Levine has also been appointed as a blogger for the American Counseling Association (ACA).

Devin Graley graduated with her Masters in ABA in May 2019 and is a first-year doctoral student in our program. The Kentucky Association for Behavior Analysis (KYABA) Executive Committee informed her that she has been selected to receive the 2019 KYABA Student Research Award. This award is given to a student who demonstrates outstanding research or scholarship in the field of behavior analysis.

Devin was invited to receive the award and share brief remarks during the award ceremony at the 2019 Annual Conference. The ceremony will be held on Saturday,
September 7th at about 4:45pm in the Founder's Union Building on the University of Louisville, Shelby Campus

Congratulations, Devin!

-Crystal is having a meeting with Holly and M. Schroeder to discuss our budget/finances and how it is distributed to our department. The Counselor Education Program has a recurring account of and he has been told this money will disappear and be replaced by a _____ model. There are other changes of which he has asked more clarification. We need to know exactly for what we are getting reimbursements. Part of the strategy he has is identifying folks (M. Bausch, M. Schroeder and K. McCormick) who can assist. These individuals know our history and it would be helpful for them to help him approach this matter. This will help us better propose for positions, etc. He is also getting the feeling from the meetings that they are looking at program growth. He understands that with a collection of tuition the University is looking at how programs are growing. He asked if there were questions. There were none.

-Also, our new Dean is our first social media Dean and encourages social media for the purpose of recruitment and retention of students. Also for promoting what we are doing and what our programs offer. S. Shepley asked how this is different from Beth Goins and Amanda Nelson and our current Marketing Department. She asked about possible concerns for not following exact laws/protocol. Rogers feels that before they launch anything we should have Beth and Amanda review. Bausch said maybe these ideas can go to the Media Committee for input. Lane is co-chairing that committee. He will share information as he learns of issues. Crystal said we can certainly wait on this until we have more information. He asked if we had a few faculty who might be willing to serve as liaison’s. He also thinks it would be helpful if we have a short you-tube video as a recruitment effort. Ault says in looking at other universities she does feel that a department’s personal touch may definitely offer a more productive recruitment tool.

-Crystal thanked faculty for their input on the Dean’s request for US News & World Report information.

Review and Sign ___________ DOE – Bausch said the college is trying to come up with DOE equity and added please don’t be afraid to put detail in your DOE. She feels the Dean is taking the DOE’s very seriously and the more we input the better. C. Shepley asked if this is for the DOE’s for this year. Bausch answered yes.

Hollie updated on the new Dining Option. All you can eat buffet – it is $9 straight. Also, you can choose a meal option through payroll deduction for $5.75. You can purchase a
reusable to-go box for $5 and you can load up and get that for $5.75. You can purchase the meal options or have them deducted from payroll.

-McCormick asked for Crystal/faculty input for the faculty council which is meeting at 10:00. Spriggs is concerned because of not being able to hire and only having an emergency hire situation. And, we are struggling. She feels we cannot keep operating our programs this way and it is concerning.

Faculty Presentations

None

Guests:

Ms. Aimee Baston (College Philanthropy Officer)
Dean Julian Vasquez Heilig will join us for lunch

Chair’s Report

The request to change the department name to the Department of Early Childhood, Special Education, and Rehabilitation Counseling was submitted to Dean Heilig and Courses and Curricula on July 01, 2019.

A discussion of the department budget will be made along with information about faculty and staff positions.

Hollie Holladay will discuss a new dining option

Department Items – Old Business

Use of EDS 558 by non-EDS programs
Amy if you have taught an EDS 558 more than a couple times it should become it’s own #.

Department Items – New Business

Reaffirmation of the department name change and a proposal to change the acronym for the department from EDSRC to EDSCE Education - Crystal

JAQs and Staff Assignments – Crystal
-Crystal updated on these. The Staff Assignment is attached. Dr. Wilson asked what is a JAQ. Hollie answered it is a Job Analysis Questionnaire.

EDS 701 – Dr. Amy Spriggs
IECE Course Change – Dr. Collin Shepley

Formation of a Social Media Committee

DGS Items – Dr. Melinda Ault

-Spriggs updated that we graduated our last LBD student. Spriggs made a motion to close the Learning Behavior Disorder Undergraduate Program. S. Shepley seconded and the vote was unanimous.

-Spriggs updated that she is EDS 701. Harley updated and will find out the exact reasoning and wording behind this effort. This matter will be tabled until September meeting. We are switching the topics. Fall class will be EDS 701 Variable – spring will be EDS 702 APA.

-C. Shepley updated that IECE met – discussed courses and content. We want approval from the department to do the following.

-C. Shepley IEC 552 be changed to TEP restricted. Spriggs seconded. Vote unanimous.
IEC 512 be made not TEP restricted. Maxwell seconded, all voted unanimously.

-Rogers discussed the RC Degree Name change. We are still working on the particulars. As far as the Department goes it is going through as Counselor Education.

-Crystal proposes if the Department name change is approved we change the Dept. Acronym to EDSCE. After a brief discussion, Crystal made a motion that if the Department Name Change is approved, the new acronym will be EDSCE. S.Shepley seconded the motion and the vote taken was unanimous.

Program/Department Items

I. DGS/GASC items – Melinda updated on faculty title changes (this will go to Dean for approval and then to the Grad School for approval). This is from the GS database EDS database:
Remove – sara flannagain, Jennifer moved /Bausch seconded – unanimous.
Add to associate graduate faculty – C Sheply, j. keiser, a. Levine, k. Maxwell, c goodin. Harley seconded vote taken was unanimous.
-either add or move to grad faculty horn, lane, lee, Wilson, rogers to made motion to add graduate faculty. Melinda made motion EDS & RC to be added, Bausch seconded – all in favor – unanimous.
-If you ave students sitting out one or more semesters – they will need to complete a leave of absence. Please let your DGS know.
-Make sure if you have students you are giving an I – please complete the incomplete form –
-reminder – last year EDS / IEC are now uploading all student information.
-any publication you have co-authored please add to the file.
Announcements – MA – EDSRC graduate student resource document – (get from recorder)
Drs. Ault & Rogers are creating a new doctoral student orientation/breakfast. Tuesday, 8/27 – not sure on time.
Melinda also discussed block funding this year – we should have it in September. 29,628.27. We have to spend that it does not roll over. Students can apply – it’s a one time – apply for travel, health insurance, stipend(living expenses). Dr. Bausch noted the money isn’t there yet and she has been hesitant until she confirms the money is there before sending the notice. $ from research acitivity funds must go to research.

IEC items
