

Proposed amendment to *Senate Rule 6.4.1.A*, with Senate Council modifications:

If an instructor is not a faculty employee (for example, the instructor is a teaching assistant), then the faculty employee who is ultimately responsible for signing the grade reports for the course shall normally assume the role of the instructor. However, with the agreement of the responsible faculty employee, the chair may decide either to allow the actual instructor to retain this role or to ask another staff employee who is directly involved with the course (for example, a course coordinator) to assume this role. In any case, the actual instructor should retain an important consultative role.
