Courses and Curricula Committee Meeting
September 26, 2005
122 Taylor Education Building
1:00-2:00

Meeting called to order at 1:00 p.m. Members present were Tricia Ferrigno (EDL), Kim Miller (KHP), Doug Smith (EDC), Alan DeYoung (EPE), Ted Hasselbring (EDSRC), Keisha Love (EDP) and Associate Dean Rosetta Sandidge (ex-officio). Administrative Associate Jason Horger took notes.

New Business:

- **Election of Vice-Chair**

The committee elected to table this decision.

- **Application for Change in Existing Course: EDS 645**

Dr. Hasselbring from the department of Special Education and Rehab Counseling (EDSRC) explained that this course change altered the language of the course description to incorporate universal design.

--The proposal PASSED unanimously.

- **Deletion of a Program: Dramatics & Speech Education**

Dean Sandidge explained that there have been no students in this undergraduate major for at least five years. In Kentucky, the teacher certification in this area has been absorbed by the English Education certificate.

--The proposal PASSED unanimously.

- **Deletion of a Program: Gifted Education**

Dean Sandidge explained that the program, which was quite active in the mid-eighties, is co-sponsored by two departments: Curriculum & Instruction (EDC) and Educational Counseling & Psychology (EDP). With departures of certain program faculty, no one in either department is willing or able to chair the program. Dr. Ferrigno pointed out that across the state there is a demand for teachers and administrators certified in this area, that the current program might be remade to accommodate current educators. Dean Sandidge echoed Dean Cibulka's concerns about the program when she cited the CPE's concerns about keeping programs with low (in this case, no) enrollment, and full-time faculty teaching loads. Dr. Ferrigno expressed an interest in researching the need for an endorsement program in this area, as well as current certificate regulations and the logistics for delivering the curriculum of a reconfigured program.

--The committee elected to table the proposal until the next meeting.

Meeting adjourned at 1:40 pm.

NEXT MEETING: October 31, 2006, 1:30 PM @ TEB 122.

Announcements:

1. The next Courses and Curricula meeting will be held on October 31, 2005 in Taylor 122. Due date for submission of materials for review is Monday, October 24, 2005.
2. On Tuesday, October 18, 2005, in conjunction with the monthly meeting of the Student Teacher Supervisors, there will be a lecture *Challenges in Teaching about Sexuality and HIV/AIDS: A South African Perspective* by Jean Baxen, visiting professor from the University of Cape Town. This event will be held in the Taylor Education Building Auditorium.
3. NCATE preparation. Dr. Sandidge reported that twelve members of the NCATE Steering Committee attended an NCATE orientation in Washington, DC, Sept 30 – Oct. 2.. During this meeting there was an opportunity for the committee to begin planning for the NCATE visit in 2007. The next steps in the unit’s NCATE preparation will be the formation of standards-specific workgroups. Dr. Sandidge also discussed the importance of NCATE Standard II, which deals with the unit assessment system. She ended with a discussion of general concerns about how well the advanced preparation programs are being documented and assessed.

4. Interdisciplinary PhD program. Dr. Anderman said that departments intending to submit materials for the College's Interdisciplinary PhD program prospectus are encouraged to do so as soon as possible. He indicated that at a meeting he attended at AERA concerning doctoral programs, he found that national groups are currently very interested in doctoral programs that will prepare future education researchers. It was his impression that our proposed interdisciplinary doctorate is right on target.
5. Diversity. Diversity goals have been widely discussed on campus. Dr. Cibulka affirmed the centrality of encouraging and promoting diversity in the College of Education. He suggested that the college will revitalize the inclusiveness committee perhaps with a new name and mission statement.
6. Dr. Cibulka reminded the faculty that Dr. Todd, President of the University of Kentucky will address the College of Education faculty at the November 8, 2005 faculty meeting. Faculty are encouraged to review Dr. Todd's top 20 business plan presentation (available on the UK website) prior to the meeting.

The meeting was adjourned at 3:10 p.m. The next meeting will be November 8, 2005.
