2. General Education Curriculum for this Program:

The new General Education curriculum is comprised of the equivalent of 30 credit hours of course work. There are, however, some courses that exceed 3 credits & this would result in more than 30 credits in some majors.

- There is no foreign language requirement for the new Gen Ed curriculum.
- There is no General Education Electives requirement.

Please list the courses/credit hours currently used to fulfill the University Studies/General Education curriculum:

PHY422 ceased to exist and will be replaced by a similar graduate level course PHY508. Accordingly the PHY422 in the BS lab requirements has to be changed to PHY508. The first statement is rephased to clarify the fact that the requirement cannot be satisfied by taking AST/PHY395 repeatedly.
