Cross-listed course prefix and number: none

Should the cross-listed course(s) also be dropped?: No

   Explain, if necessary:
   Why is this course being dropped?: It was replaced with a more modern, computational focused Core course STA 296. PLEASE NOTE THAT WE ARE ASKING THAT THE COURSE BE DROPPED AT THE END OF THE FALL SEMESTER NOT AT THE BEGINNING. THIS WAS AT THE REQUEST OF THE REGISTRAR'S OFFICE.
   Will dropping this course change the requirements for any program?: Yes

Has the course been taken by a significant number of students in other colleges/depts?: Yes

If YES, what provision has been made for meeting the needs of these students?: Programs were notified by STA, by A&S, and by the Associate Provost for Undergraduate Studies several months ago and advised to submit the forms needed to substitute 296 for 291. We assume that has been done. If not, Mike Shanks (Registrar’s Office) is aware and ready to make exceptions.

Is this course currently included in the University Studies Program?: No

1 The effective date for a dropped course is the first term when the course is not available, NOT the last term the course is offered.
2 Effective dates are typically the semester following approval. No course will be made effective until all approvals are received.
3 Signature of the chair of the cross-listing department is required on the Signature Routing Log.
4 In order to change a program, a program change form must also be submitted.
