

INITIAL DRAFT FOR DISCUSSION

Joint Advisory Working Group on Sexual Assault and Sexual Harassment Policies

Charge:

This Advisory Group, formed jointly by the President and the University Senate Council, is charged with gathering campus feedback regarding both the existing University of Kentucky policies on sexual assault and sexual harassment, as well feedback regarding any new federal guidance or proposed changes to University policies. The Advisory Group will be responsible for researching national standards and practices, and will organize campus forums to provide opportunities for input from the community. The Advisory Group will report its findings to both the Senate Council and the Office of the President at least annually, but also more often, as requested by the Senate Council or the President. The Committee is intended to last for at least one year, but its continued efforts may be extended by the President, the Senate Council, or both.

Composition:

The Advisory Group will be comprised of faculty, staff, and student members. The Student Government Association will nominate one member from the students, the Staff Senate will nominate one member from the staff employees, the Senate Council will nominate seven members from the faculty employees, and the President will nominate two members, who can come from the faculty, staff, or student bodies. The President will appoint one of the faculty members to serve as a Chair of the Advisory Group.
