Dear Dr. Cramer,

The UK-UofL Executive MBA program is requesting modification from the standard academic calendar at the University of Kentucky for the Spring 2021 semester. The program's original schedule was interrupted due to the COVID-19 pandemic and numerous schedule changes to large scale events both on and off campus in both Lexington and Louisville. The proposed modified schedule below for the Spring 2021 semester will begin classes on the University of Kentucky campus on **January 8, 2021**. By beginning the semester early for these students, we will be able to accomplish the following goals:

1. Ensure the students graduate on time in May 2021.
2. Revise the schedule as required to secure appropriate course sequencing.
3. Accommodate course dates around rescheduled large-scale events.
