

Transmission of PROPOSAL to Senate Report

Background Information for Proposal

<i>Agenda Item Name:</i>	Rule Waivers for Academic Holidays
<i>Rationale for proposal:</i>	SC is being asked more and more frequently to approve nonstandard calendars. Sometimes it is for a single course for one semester, but other times it is for multiple courses (i.e. an entire cohort of students) in perpetuity. Requests that involve multiple courses are often accompanied by a request to waive academic holidays (Spring Break, Reading Days, etc.), too. Such periods were designed to provide an academic break for students, so under what circumstances is it appropriate to approve a waiver of an academic holiday?
