

Transmission of PROPOSAL to Senate Report

Background Information for Proposal

<i>Agenda Item Name:</i>	Reasonable Accommodations
<i>Rationale for proposal:</i>	The Senate Council became aware of concerns from some faculty that reasonable accommodations were not determined through an interactive process with the faculty member. The Senate Council was interested in learning more about reasonable accommodations in general: how are reasonable accommodations expected/intended to be established; if an accommodation may violate an academic policy of the Senate; how a faculty member can request a modification to an accommodation they do not believe is reasonable, etc. SACDAC was asked for factual information, which is provided in the PDF report.
