SAL’s Conceptual Framework/Programmatic Curriculum

• Equity through social justice
• Resilience through holistic well-being
• Collaboration through connection
• Integrity through identity development
• Innovation through curiosity
SAL’s Strategic Directions

• Creating a **holistic well-being** experience
• Closing the **achievement gap for first-generation students**
• Developing an **integrated first-year experience** for all UK undergraduate students
• Implementing an **integrated coaching** model across all student services
• Building out a unified **research agenda** that marries the academic and student affairs perspectives and work
SAL/UK HR/UK Integrated Medicine Pilot

- Stress reduction pilot initiative
- $300 wellness credit
- January 1 – June 30, 2020
- Pre-survey/post-survey lead by Professor Corrine Williams
- Potential for expanded pilot
