Which aspects of the course were most helpful? Why?

Comment
Dr. Lane was very understanding of my drc accommodations and went above and beyond to make sure I felt confident in my assignments. He helped at every opportunity.
I really enjoyed the in class simulations like the mediations and negotiations. I think it is really important to apply the things you are learning to real life examples. Those are great way to get everyone involved and engaged!
The simulations we did in the class
The course structure makes it so that class time will help clear up any confusion from the readings and quizzes. The teacher makes sure to take time to ensure your understanding.
Doing the simulations in class about negotiation and mediation
I think our simulations we did in class were extremely helpful. They made us practice real world scenarios and I found them very enjoyable.
Everything was laid out for each week and what I needed to complete and be successful in this course.
The reading quizzes and how they were the same as the big tests
Dr.Lane himself he is just the man and is such a helpful tool for everything you might ever need
he was always available to help us
the simultions and the exam prep days
The simulations because they helped me to understand real world situations
The proffesor was great and explained everything clearly while getting the class involved
